### Biography

Over the last 5 years, Jeff Retro has been showing the dance floors of Las Vegas exactly what it means to feel the music. A florida native, Retro has quickly made a name for himself. In such a short time, Retro has held residencies in some of the top Las Vegas nightclubs including now being the local resident of Hakkasan.

Some of the world's biggest talents have caught the eyes and ears of the public by opening for the superstars of the electronic scene, and Jeff Retro is no different. His extensive resume of opening and support sets include, opening for, **Tiesto, Calvin Harris, Armin Van Buuren, Moby, BT, Ferry Corsten, Bingo Players, Dada Life, Steve Aoki, Benny Bennassi, R3hab, Fergie DJ, and Nervo** to name a few. In addition to his growing list of performances, Retro's original productions have been on CD compilations with Kaskade, Stonebridge, Sander Van Doorn, Laidback Luke, Major Lazor, David Guetta, DeadMau5 and Armin Van Buuren.

Jeff Retro's name and popularity are on the rise and showing no signs of slowing down.
