*DUCT & COVER*  
An Artists' Response to War**

**Opening Reception: March 26, 2003 5-7pm  
Runs through April 14, 2003**

The Santa Fe Art Institute announces an open call for art for a non-juried exhibition entitled, *Duct & Cover*. Guidelines for submissions are that the works must be created from duct tape and plastic sheeting and be delivered to the Santa Fe Art Institute by 5pm on March 24, 2003.

There will be an opening reception on March 26, 2003 from 5-7 pm. The show will continue through April 14, 2003.

This exhibition is in direct response to the state of the nation and the imminence of war. We feel it is crucial to continue the discourse regarding this issue and want a diverse expression from the artistic community.

The exhibition is open to the public Monday through Friday, from 9 to 5, and by calling in advance for an appointment on the weekend. Admission is free.
