## Product Announcement

202014

Flat surfaces up to 30 mm / 1.125 in. thick  
Pipes up to 30 mm / 1.125 in. diameter

202015

Flat surfaces up to 40 mm / 1.5 in. thick  
Pipes up to 30 mm / 1.125 in. diameter

ProClip Desktop Clamp Mounts provide convenient access to devices in locations like offices, health care facilities and warehouses. The clamp base attaches to a flat surface or a rounded pipe providing a stable mount point. When paired with the appropriate holder, it creates a convenient location for phones, small tablets, mobile computers and printers.

Desktop Clamp Mounts adjust using a pair of wingnuts that allow rapid adjustment of the device to virtually any position. This enables users to easily adjust the device, making work comfortable and efficient.

### Features:

- Solid mounting platform for small to medium tablets, scanners and mobile computers
- Each joint swivels 360°, rotates 360° and tilts 210°
- Wingnuts for quick, easy adjustments with a strong hold
- Ideal for loads of up to 5 pounds
- MIL-STD-810F Vibration Rating
- AMPS hole pattern on mounting plate
- Compatible with all ProClip holders
- Constructed of aluminum and high-quality plastics
