

# Make a Mural

A mural is a large painting applied directly to a wall, ceiling, or other surface.

## 1 Look Closely

Look at the artwork in the story you read.  
How does the artwork help to tell the story?

## 2 Get Materials

What do you think the illustrator used to make the pictures in the story? What will you use?

## 3 Plan and Sketch

Plan a mural about the story. Draw a few ideas. They can be of a scene in the story, one character, or something all your own.

## 4 Make Your Masterpiece

Pick your favorite idea and make it. Be sure your mural shows that you understand what the story is really about. Make it amazing!
