Instructions

Color Partners of 4

Show children the Color Partners of 4 Copymaster (CM2).
Have them look at the page and talk about what they see.

- *What do you see on the page?* Possible responses: barn; animals; 2 big cows; 4 ducks in the pond
- *Let's all look at the ducks. Who can tell me how to use your crayons to color partners of 4?* Possible responses: Make 1 duck yellow and 3 ducks brown; Color 2 yellow and 2 brown.

Continue guiding children until they understand how to color the page independently at home or in the Math Center.
