

Know Your Five

Think about the critical issues facing your school. Which two issues keep you up at night worried about the success of your school?

What do you see?

What do you see students doing in the classroom five years from now?

What do you think?

What do you want teachers to think about student achievement in five years?

What do you feel?

What do you want students to feel about school in five years?

What do you hear?

When you're out in the community, what do you want to hear people say about your school five years from now?

What do you want to do?

What do you want your stakeholders to be doing in your school in five years?
