

Classroom activity

Jigsaw Graphic Organizer

Name: _____

Date: _____

Instructions

As you work with your expert group, use this graphic organizer to record key facts, important vocabulary, and main ideas about your assigned topic. Once you feel confident in your understanding, you'll return to your home group to teach your section and learn from your classmates' expertise as well.

My Expert Topic:

Key Vocabulary (Write and define your words):

Important Facts (What are the most important ideas?):

Continued

Jigsaw Graphic Organizer

Illustration or Diagram (Draw a picture to help explain):

How I Will Teach My Group (What will I say or ask?):

Continued

Jigsaw Graphic Organizer

Home Group Notes

As each classmate teaches their expert topic, listen carefully and record important ideas and key facts in the spaces below.

Topic: _____

Notes: _____
