Welcome to Ignite!

You are embarking on a new, exciting, and challenging adventure, and leaving your former life behind. Get your heart and head in the right place as we begin this adventure.

Get Your Head in the Game

Write your answers to and discuss the following questions as a class.

- Have you achieved your financial goals through your career so far? Why/Why not?

- What is the one thing that makes one real estate agent more successful than others?

- Why don’t all agents do this?

- Is your desire to succeed more powerful than your fear from doing the one thing that will make you successful?

Great!

You’re ready, you know what it takes, and you’re powered by your conviction to succeed!
You’re in Business!

There’s ONE Thing that can propel you forward in your career. What is it?

The secret is simple, and is not a secret at all. It is lead generation … and you’re going to learn this skill and do a lot of it in this course, so get used to this winning reality quickly.

You are in sales—yes, sales! Your livelihood is dependent on the number of homes you help others buy or sell. Gary Keller, cofounder of the company, says you’re actually in two businesses—in this order:

1. The business of lead generation
2. The business of real estate

Mindset and Attitude Matters

You may think that lead generation will be making phone calls that are bothering and annoying to people. We all feel that way, especially when we feel like we’re being sold to. However, when you adopt an attitude of contribution, a significant shift in how people respond happens.

Change your mindset to focus on being of service!

Adopting a mindset and a philosophy of contributing to the lives of other people allows you to be direct and to the point in your interactions with others. With a focus on contribution and being of service, you’ll communicate more effectively with customers and win their hearts and minds effortlessly.

Energy, enthusiasm, and a deeply rooted belief in doing the best job possible for each and every customer attracts people to you. Take every opportunity to educate the people in your personal, professional, and social life about what you do and how you can help them. These reminders for people in your network can lead to many, many referrals for business.
The Six Personal Perspectives

The most successful at this business know it takes a certain **mindset** and **attitude** to keep at it every day and especially to excel! Fortunately, Keller Williams Realty has a foundational model for a successful mindset which came into existence when Gary Keller asked the question of hundreds of top agents …

> “What is it that differentiates those who achieve at the highest level from those who don’t seem to accomplish as much?”

After thoroughly researching this question, Gary discovered that all high achievers have three basic attributes in common:

Based on these three attributes, the Six Personal Perspectives came to be.
Step 1: Commit to Self-Mastery

When you commit to achieving self-mastery, you

1. know your goals
2. know your strengths and weaknesses
3. know how to work with both your strengths and weaknesses to seek and master the necessary knowledge, skills, and habits to reach your goals

Throughout Ignite, you will be acquiring the skills and developing habits to be successful—moving you toward self-mastery.

Step 2: Commit to the 80/20 Principle

The idea that 20 percent of your actions lead to 80 percent of your results may be one of the most powerful principles you can apply to your life. It’s about getting the most from your time and effort. It’s about maximizing your results. It’s about having focus.

In Ignite, we identify your 20 percent for you ... your money-making activity—lead generation!
Step 3: Move from “E” to “P”

You can attain a certain level of success utilizing your natural abilities, but expect to hit a ceiling at some point. Wouldn’t you like to achieve even greater success and break through that ceiling? How about living a larger life? Or attaining your goals?

Ignite is not only designed to help start your business, it is designed to help you grow your business. Ignite will help you move from Entrepreneurial to Purposeful with skill mastery.

Step 4: Make Being “Learning Based” the Foundation of Your Action Plan

Training and education are a big part of moving forward to attain your goals and succeed at a high level. Learning-based individuals commit to the process of acquiring skill-based habits.

Ignite is just the start for you as a learning-based individual. Keller Williams Realty offers many learning opportunities for you.
Step 5: Remove Your “Limiting Beliefs”

In order to successfully develop at a higher level, you will need to clear your mind of **limiting beliefs** first. For example, are any of these thoughts in your head?

- “I have to be an expert and know everything before I can begin my business; I’m not valid yet.”
- “I don’t think I can achieve a profit goal that will fund my life this year.”
- “Because I’m in the business, the business will come to me naturally. I don’t need to devote three hours each day to lead generation.”

**Activity: Turn Limiting Beliefs into Unlimiting Beliefs**

How would you redirect these negative thoughts into positive ones—into **unlimiting beliefs**—that will fuel your success?

- ____________________________
- ____________________________
- ____________________________

*Throughout Ignite, you will learn how to combat your limiting beliefs and turn them into action.*
Step 6: Be Accountable

Accountability is first and foremost “an attitude and an approach” to your entire life.

An accountable person says, “Everything in my life is a result of my choices and actions. I own my life.”

Accountability is also a tool for continually changing the results in your life in those areas that matter most—your 20 percent. A person who is accountable in their 20 percent says, “I own my life, and in certain areas, I want to continually improve my results. I will be purposeful, and I will be learning based to continue improving.”

Ignite will provide you with tools to develop and cultivate your accountability to be successful.

Make It Happen – Four Skills

Questions …

What is your job? ____________________________________________

Who is your customer? _________________________________________

What is your product? __________________________________________

Today, you’ll learn four new skills essential to gaining a strong customer base and having success in real estate sales.

1. Skill #1: Know Your Big Why and Monetary Goal

2. Skill #2: Commitment to Daily Lead Generation

3. Skill #3: Use Influencing Sales Language

4. Skill #4: Be Accountable to Your Big Why and Monetary Goal

Let’s get started!
Skill #1 – Know Your Big Why and Monetary Goals

What drives you is not only your mindset and attitude but what you’re passionate about.

- What stirs your soul?
- Why are you in this business?
- What do you hope to achieve for yourself and your family?

The answers to these questions are the basis for your Big Why. And to fuel that Big Why will take money—an income goal.

To achieve success, you need motivation and inspiration for doing it—your Big Why.

Passion for Your Big Why

Anyone can achieve the goals set in this course, but not everyone will. The journey requires discipline and a commitment to follow models, systems, and a schedule every day. It requires passion toward something bigger than the task at hand—your Big Why.

First, have a Big Why built around your passion, then follow the models you’ll learn in this course, keep doing it, and you will achieve grand success!
Top agents can all articulate their Big Why and you will be able to as well. A Big Why is what keeps them going when they’re tired, bored, or disappointed. It’s the spark that ignites their way every day. Your Big Why might be …

- To have your financial success tied directly to your efforts instead of a salary controlled by the opinions of a boss.
- To build your own business.
- To achieve a bigger life through your business.

**Big Future**

Write down the date twelve months from now: _______________. Now imagine this date is today.

- Your business is thriving and your life is everything you’ve dreamed of.
- Your customers rave about the experience and value you provide and think of you when they have a real estate need.
- Your family and friends are so proud of your success and are consistently referring business your way.
- You are helping others live their dream of owning a home because you are focused on helping them get what they desire.
- You are building the foundation and momentum for your entire career, and gaining relationships and experiences and the income you desire.
- You are the top agent in your Market Center, or Rookie of the Year if you’re new.
- You’re poised to hire a part-time assistant to handle your 80 percent while you take care of the 20 percent that grows your business.
- You are on the path to …

“Build a career worth having, a business worth owning, and a life worth living.

Your Monetary Goal

First, you must have a goal!

What Is Your Annual Monetary Goal?

Now that you know your Big Why, what will it take to fund your life and your Big Why?

Write your Annual Monetary Goal down here.

Note: Remember to include taxes and expenses as you consider your monetary goal.

Commission (GCI) Example

Now that you have written down your monetary goal, let’s look at what it takes to achieve this amount by calculating the average commission on each house bought or sold.

<table>
<thead>
<tr>
<th>Average Sales Price</th>
<th>$200,000</th>
</tr>
</thead>
<tbody>
<tr>
<td>Average Commission Rate* (to you)</td>
<td>3%</td>
</tr>
<tr>
<td>Average Commission (Net GCI)</td>
<td>$6,000</td>
</tr>
</tbody>
</table>

* Note: A rate of 0.03 may be high or low, depending on your market, and depends on what you are able to negotiate.

Note: This commission amount ($6,000) will be used for all examples in Ignite.
Your Turn – Know Your Commission

Calculate an average commission in your market. *(You’ll use this number in later calculations.)*

<table>
<thead>
<tr>
<th>Average Sales Price</th>
<th>$</th>
</tr>
</thead>
<tbody>
<tr>
<td>Average Commission Rate (to you)</td>
<td>%</td>
</tr>
<tr>
<td>Average Commission (GCI)</td>
<td>$</td>
</tr>
</tbody>
</table>

Factor in Market Center Fees

Example:

- **Cap:** GCI x 30%, capped at $20,000 (Market Center Caps vary)
- **Royalty:** GCI x 6%, capped at $3,000
  - Total = $23,000

Your Market Center:

- **Cap:** GCI x 30%, capped at $__________
- **Royalty:** GCI x 6%, capped at $3,000
  - Total = $__________ *(You’ll use this number in later calculations.)*
How Many Transactions to Reach Your Monetary Goal

Your GCI Calculator will assist you in calculating the number of transactions needed and your progress in meeting that number. You can do a quick calculation here.

Example: $100,000 Annual Income Goal

<table>
<thead>
<tr>
<th>Step</th>
<th>Description</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Annual NET GCI Goal</td>
<td>$100,000</td>
</tr>
<tr>
<td>B</td>
<td>Market Center Cap</td>
<td>$23,000</td>
</tr>
<tr>
<td>C</td>
<td>GCI (A+B)</td>
<td>$123,000</td>
</tr>
<tr>
<td>D</td>
<td>Average Commission per Transaction</td>
<td>$6,000</td>
</tr>
<tr>
<td>E</td>
<td>Annual Transaction Goal (C/D)</td>
<td>21</td>
</tr>
</tbody>
</table>
Your Turn – How Many Transactions Will It Take?

Skill Mastery Activity: Transactions

1. In the blanks, calculate the number of transactions to attain YOUR personal income goal.

2. Calculate how many transactions you’ll need each month: ____________________

   Write this number down in your calendar at the top of every month. Do it now as a visual reminder.

Time: 5 minutes

Skill #2 – Commitment to Daily Lead Generation

Great! You’ve got a Big Why and a monetary goal. So, how do you get from here to there? Lead Generation!

Journey to Your Monetary Goal

If Real Estate Was a Factory

If you ran a factory, you would know how long it takes to make a widget, right?

\[
\begin{align*}
\text{2 Hours} & \quad \text{2 Hours} & \quad \text{2 Hours} & \quad \text{2 Hours} & \quad = 8 \text{ Hours} \\
\text{Step 1} & \quad \text{Step 2} & \quad \text{Step 3} & \quad \text{Step 4}
\end{align*}
\]

You would also know that if you didn’t do step 1, at the end of the day, you would have no widgets!

Real Estate Is No Different …

\[
\begin{align*}
\text{Time} & \quad \text{Time} & \quad \text{Time} & \quad \text{Time} & \quad \text{Time} & \quad = 90 \text{ Days} \\
\text{Lead Gen} & \quad \text{Appointments} & \quad \text{Agreements} & \quad \text{Contracts} & \quad \text{Close}
\end{align*}
\]

For every day you don’t lead generate, 90 days later you can expect no money! You don’t want this to happen.
Discuss the following questions as a class

- How long (on average) does it take to get a buyer or seller to sign a contract for a sale or listing?

- How long does it take for a transaction to close and for you to get paid?

- How quickly do you want to get paid? Or, how long can you go without a payday?

- What will it take for you to get paid so you can begin to fund your Big Why?
Lead Generation Funnel

Your lead generation funnel must be filled with leads—people who have a real estate need now or in the near future. LOTS of leads!

The countdown to your payday starts when a lead becomes an appointment with a buyer or seller, then an agreement to work exclusively with you. Next comes a contract, and negotiation of an offer on their behalf. Finally, you service the entire transaction through to a successful closing and receive your commission—it’s payday!

*Ignite’s focus is on prospecting for leads!*
Calling Every Session

Every Ignite Power Session, we will—together—make phone calls for business. We will help each other, support each other, and cheer each other’s success. Your Ignite Faculty will ask for and post your results for the entire class to celebrate.

This means you’ll need names and contact information every day for calling in class. You may be thinking, “What if I run out of people to call?” We will explore ways of finding more contacts as we progress through Ignite.

Remember, **calling for leads is the single most important step in building your business.** You would be cheating yourself and your family if you were not prepared to make calls every class.

**The Simple Formula**

Why can some agents make 100 calls a day and others fear the phone? Because successful agents follow a simple formula:

1. Leverage powerful scripts.
2. Build the relationship.
3. Ask for the business.
4. Ask for referrals.
5. Come from contribution.

It comes back to your mindset—one of helping people and being positive. Focus on your goals, avoid attachment to the outcome, and you will succeed.

Reminder: Comply with federal and state Do Not Call (DNC) and spam laws and the policies of your local Market Center.
Four Powerful Habits

The success of your business depends on you having productive, business-building habits, performed every day. It is essential that you get into these habits right away—especially the following Four Powerful Habits. These are the four things all successful real estate agents do every day throughout their careers!

“The quality is in the quantity!”

Four Powerful Habits and Activities

<table>
<thead>
<tr>
<th>Four Habits</th>
<th>Four Activities Daily 10/4</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Grow and Manage Your Database</td>
<td>▪ Add 10 new contacts into your contact database every day.</td>
</tr>
<tr>
<td>2. Prospect</td>
<td>▪ Speak with 10 people in your database every day.</td>
</tr>
<tr>
<td>3. Follow Up</td>
<td>▪ Write 10 notes to people you know or have recently connected with every day.</td>
</tr>
<tr>
<td>4. Know Your Market</td>
<td>▪ Preview 10 homes for sale every day and visit ten in person every week.</td>
</tr>
</tbody>
</table>

The Daily 10/4

The Daily 10/4 is the Ignite model that reinforces the Four Powerful Habits. It’s a simple tracking method for you to follow and it’s easy to remember!

Just remember …

1. “Daily” – every day, at least 6 days a week to begin
2. 10 – ten of each
3. 4 – four activities
**How to Complete the Daily 10/4**

1. **Grow and Manage Your Database – Add 10 people to your database with complete contact information.**

   Every day, add ten new people to your database—this means adding their name, address, phone number, cell phone, and more contact information if you can get it. These can be people you know or have just met, or people you know peripherally—that is, you know of them through someone else. Just make sure that by the end of the day you have added ten complete records to your database. Keep in mind … the size of your database will determine the size of your income!

2. **Prospect – Connect with 10 people in your database.**

   Every day, connect with at least ten people from your database. The purpose for the call or conversation is threefold:
   
   1. let them know about your business,
   2. ask for their business, and
   3. ask for referral business.

3. **Follow Up – Write 10 notes.**

   Every day, send a handwritten note or letter with a business card to at least ten people you know or have recently connected with. Begin with those you’ve called—this is the follow-up to the call. You can also write notes to people you meet; like the mechanic that changes your oil or the barista that makes your coffee in the morning. This habit alone will differentiate you from others in a big way and enhance your prospecting.

4. **Know Your Market – Preview 10 homes per week.**

   Every week*, preview at least ten homes in your market. Explore different neighborhoods and price ranges. Seeing the property up close is a lot different than viewing it online. Know what your clients will see online and then know the truth by visiting properties. This is a valuable step that should not be skipped. You’ll soon find that you know more about the market than most!

*Think of this as two per day, or ten per week.
Success Tracking

You’ve learned from the Six Personal Perspectives the benefit of accountability.

Ignite has a built-in tool called myTracker to help you develop the habits of doing the activities—the Daily 10/4—that generate results. myTracker allows you to record your activities on a daily basis and share it with others in class. And any results you enter role up into your Monthly Trends Report, available to you on KWConnect.com.

myTracker Online Tracking System

Your Ignite Faculty or another person in your Market Center will enter your name into the online tracking system, myTracker, and then you’ll be able to begin using myTracker.

Access myTracker from Ignite online on KWConnect.com on your computer, laptop, or smartphone, or by keying in Daily104.com.

Track your progress using the online myTracker system each day. Your results will then be rolled up by class and presented during each Power Session by your Ignite Faculty.

Skill #3 – Use Influencing Sales Language

“Did you find everything you were looking for?”

“Go ahead, look around, and please let me know if I can help you.”

“I see you admiring that large-screen TV. Are you looking to have one in your home for the big game this weekend?”

Recognize any of these phrases? Of course … they are well-known and commonly used phrases in sales and service industries. Since you are now in a sales industry, your success is dependent on your use of real estate sales language.

Since we are first in the business of lead generation, what are we really saying about our job? (fill in the blanks)

__________________________ about their ________________ needs, and the needs of _______________________.

There are two ways of doing this:

1. **Entrepreneurial (E):** Just chat up whoever happens to cross your path. And if real estate comes up, great, and if it doesn’t, oh well … I’m sure to get a deal one of these days.

2. **Purposeful (P):** Know exactly who you want to talk to, block time to communicate with them, and be prepared to have great conversations that lead to you providing value in exchange for them helping you grow your business.

Which are you willing to bet your livelihood and the well-being of your family on? E - entrepreneurial, or P - purposeful?
Scripts Are Cool!

1. Purpose of Scripts
2. Benefits of Scripts
3. Learning Scripts
4. Calling with Scripts

1. Purpose of Scripts

A great script is 100 percent customer oriented and benefits the customer throughout the entire conversation.

Have you ever listened to someone talk for a period of time and realized afterward that you have no idea what they were saying? It happens more than we might care to admit. Moreover, how often do we think we’re being clear in our communication only to find that the other person didn’t get it?

Communication isn’t about what you think you’re saying—it’s about what they actually hear. Scripts allow you to have a rehearsed response that delivers a powerful message in a way that they will best understand, or ask a powerful question in a way that they will be able to quickly share the information you need to better serve them.

Scripts are one way to move you from E to P.

All top agents use scripts and practice them daily!

Activity: Watch a Master Speak on Scripts

- What are your aha’s?

Time: 5 minutes

Ignite Script Book

The Ignite Script Book contains the scripts found in all Power Sessions in one convenient location. You will find the Ignite Scripts Book located on the Ignite page on KWConnect.com.
2. Benefits of Scripts

- Scripts give us the confidence to do our job.
- They allow us to stay focused and in the present moment.
- They provide consistency in what we say and do.

Mindset for Scripts

1. What are your limiting beliefs around scripts?

- 
- 

2. What are 3 negative consequences for failing to learn scripts? (for example, a lack of income to pay bills, having to drive the old car or no vacation for the family)

- 
- 
- 

3. Affirm your mindset with:

“Because of scripts, I sell more houses and earn more income.”
3. Learning Scripts

In order to internalize scripts so they become our own and sound natural and friendly, we begin by memorizing them. Both take time … and practice!

Practice Makes Perfect

Like with any new skill, it takes practice to learn and perfect it. Top agents know the value of scripts and continue to practice them daily so they are sharp and always ready with the exact right words to say, or the perfect question to ask.

Wrap your mind around learning scripts by saying, “Learning scripts will make great things happen in my life.”

Choose ways to incorporate practice into your daily routine:

1. Arrange with a partner to spend 15 minutes each day reciting scripts to each other.

2. Record yourself saying your scripts on your phone and play them back while driving, speaking along with the recording. Do this daily.

3. What are some other fun ideas? ____________________________________________

Memorize in 6 Steps

Isn’t it interesting that after many years, you can still recite the ABCs and simple nursery rhymes? How do you think you learned those? By simple repetition! You will learn scripts the same way.

1. **READ**: the first sentence of the script out loud five times.
   
   When you read your script out loud, you’re engaging your eyes, your voice, and your entire body, not just your eyes.

2. **REPEAT**: the same sentence five times with a huge smile on your face.
   
   You will notice a difference in your tonality when you say it with a smile. Try standing in front of a mirror; watch your body language as you repeat your script.

3. **READ**: the second line of the script out loud ten times while smiling.

4. **SAY**: Now for the hard part. Put your script down. From memory, recite the first two sentences out loud ten times with a big smile. If you make a mistake, start over from the beginning.

5. **SAY**: Continue adding one sentence at a time, repeating ten times. Any time you make a mistake, go back to the beginning.

6. **SAY ENTIRE SCRIPT**: as fast as you can, five times in a row. Your chances of stumbling when reading the scripts at a normal pace after you’ve practiced and chanted them is very small.

   Doing this 6-step process is the way scripts become natural to you. Instead of having to think about what to say next, you’ll be able to listen to how your customer is responding.

   How long will it take to memorize and internalize? The truth is it doesn’t matter because as you keep using the scripts, you become better at them. Don’t rush. Be patient. Expect good results and they will come to you. Keep smiling, practicing, and rehearsing … and you will achieve success internalizing the scripts.

Your Turn – Personal Notes

Part of your Daily 10/4 is writing handwritten notes to those you’ve connected with. This will differentiate you from other agents in a big way. After all, when was the last time you received a handwritten note? What effect did it have?

1. Write a note to each of the people you called to thank them for their time.

   Thank you for taking the time to chat with me today. It was great to catch up with you and let you know what I’ve been up to with my business. I’m thrilled to be with Keller Williams, and I’m available to you at any time to be an asset and resource to you, your family, and your friends. Please call me whenever a question or need comes up. I’ll stay in touch. I appreciate you and I wish you all the best.

2. Enclose a business card in each note, stamp, and mail from your Market Center.

   Time: 5 minutes
Skill #4 – Be Accountable to Your Big Why and Monetary Goals

Accountability Feedback Loop

Earlier in the Six Personal Perspectives, we learned that accountability is a tool for continually changing the results in your life in those areas that matter most—your 20 percent.

Goal achievement is a direct result of accountability. To support your goal setting, we recommend you:

1. **Follow an Action Plan.** During this course, you will have an action plan that outlines the specific actions you will take to achieve your goals. You will also create a calendar that helps you time block the specific activities you will do to achieve your goals.

2. **Work with your Market Center leadership** to help you measure, evaluate, and make adjustments to your Action Plan.

Develop a Prioritized Plan of Action

To-do lists unfortunately are not planned, focused, action lists. Rather, they are a catch-all for unresolved issues and not related to outcomes. Instead, move from E to P (entrepreneurial to purposeful) with an Action Plan. Properly prioritize and plan your time, so you focus on the things that matter—your dollar-productive activities—and avoid squandering your time on low-value activities.
Action Plan

1. Make a List

First, make a list of all the things in your world that require action or resolution—everything that’s incomplete and needs action, whether it's urgent or not, big or small, personal or professional.

2. Prune

Now, carefully consider each item. Is it dollar productive and part of your 20 percent? Does it have real relevance to you? If unimportant or not of relevance, delete it.

3. Prioritize

For the remaining items on your list, determine two things: their importance and their urgency. This will help you organize and prioritize the list.

- **Important** activities have an outcome that leads to us achieving our goals, whether these are professional or personal. These are your 20 percent items, the ones that are dollar productive.

- **Urgent** activities demand immediate attention because the consequences of not dealing with them are immediate.

The ONE Thing

The book poses a question to ask yourself over and over …

*What is the ONE Thing I can do such that by doing it everything else will be easier or unnecessary?*

Ask yourself this question every time you need to focus on the **ONE Thing** that will propel your business forward. It will always be a dollar-productive activity!
Activity: Rate the Task

Here are some task examples. How would you rate each item’s importance and urgency?

<table>
<thead>
<tr>
<th>Activity</th>
<th>Important? 20%</th>
<th>Urgent?</th>
</tr>
</thead>
<tbody>
<tr>
<td>Return a call to a person inquiring about a listing</td>

<td></td>
</tr>
<tr>
<td>Pick up dry cleaning before they close</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Lead generate</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**Rank tasks according to the following:**

1. **Important** and **Urgent**

These are the activities that help you achieve your personal and professional goals. There are two types: unforeseen/unexpected tasks, and tasks you’ve left until the last minute.

2. **Important** but Not Urgent

These are also the activities that help you achieve your personal and professional goals. Make sure you have plenty of time to do these things properly, so that they do not become urgent.

3. Not Important but **Urgent**

These are things that prevent you from achieving your goals. Ask yourself whether you can reschedule or delegate them.

4. Not Important and Not Urgent

These activities are just a distraction. You can simply ignore or cancel many of them.
Your Turn – Prioritize Your Activities

Skill Mastery Activity: Accountability

Start your Action Plan.

1. List 10 tasks you need to complete. Lead generation is already listed for you!
2. Rate each on importance and urgency.

Live By a Calendar

Now you are able to schedule tasks and activities on your calendar based on your prioritized Action Plan. Review your Action Plan and calendar every week. Delete items you've completed and add any new actions that have come your way.

This approach helps you maintain focus on daily jobs and long-term goals at the same time. This reduces stress, puts you in control, and gives you a real sense of achievement.

In Ignite, you’ll get into the habit of planning for the critical tasks each day, and you’ll schedule activities that **generate revenue first**, and schedule those that **maintain your business second**.

### Truth

**Successful agents plan their days and stick to their plan.**

In your calendar, time block for lead generation every day for up to one month. (for the duration of Ignite—you’ll continue lead generating for the rest of your career!)

**Write down exactly the days of the week and the hours you will do your lead generation.**

**Time block for home previewing—10 homes every week.**
Protect Your Time!

1. **Block your calendar** for the same time period—before noon—every single day, week after week. The morning is generally the best time for lead generation, as it ensures you do not get caught up in other activities and lose the day.

2. **No skipping.** If you erase, you must replace! If any event stops you from accomplishing your lead generation at your set time, that commitment does not simply disappear. It’s up to you to make up the lost opportunity in another time slot.

3. **Allow no interruptions** unless it is a REAL emergency, like a family crisis. It’s easier than you think to waste precious time on unrelated phone calls, water-cooler chat, or putting out fires that can wait until later.

During Ignite, your week will look like the following for Monday, Wednesday, and Friday:

Who Will Hold You Accountable?

The highest of high achievers have coaches who hold them accountable. Michael Jordan, Mia Hamm, Joe Montana, and Mary Lou Retton have all attributed much of their success to their coaches who held them accountable. Who will do that for you? You have options:

1. Coaching or Mentoring Program
2. Partners in Success
3. Personal Accountability – make no mistake, you cannot do this alone. Yet you can commit to being accountable to someone else.

1. Coaching or Mentoring Program

KW has coaching and mentoring programs available for you. Ask your Ignite Faculty or your Team Leader about the options for you.

- KW MAPS coaching group programs: mapscoaching.kw.com/group. Here are some example courses:
  - Language of Sales
  - 90 Listings in 90 Days
  - Dominate Your Market
  - Farming Can Make You Millions

- Market Center Productivity Coach
2. Partners in Success

One of the great benefits of having an accountability partner is that it increases your productivity and keeps you on track and in check with your goals.

**RULES FOR ACCOUNTABILITY PARTNERS**

- **Provide a safe place to share.**
- **Set frequency of checking in with each other.**
- **Create a commitment and stick to it.**
- **Follow through with action items.**
- **Dig deep to find out why you do the things you do.**
- **Allow to give and take feedback.**
- **Listen and pay attention while the other person shares.**
- **Respect each other and the process.**
- **Have each other’s best interest in mind.**

*Select a team of 3-4 people from your fellow Cappers in Training*

Set regular meetings. Before each Ignite class is a great idea.

3. Personal Accountability

PERSONAL ACCOUNTABILITY

Being willing to answer—to be accountable—for the outcomes resulting from your choices, behaviors, and actions.

Personal accountability means that you are willing to personally …

- Understand and accept the task.
- Take action to achieve results.
- Answer for the results obtained, regardless of the outcome.
- To accept blame if things go wrong and make corrections or improvements to avoid mistakes in the future.

Question: What are some benefits of being accountable?

Please read and initial each one and give the signed agreement to your Ignite Faculty (or designate).

— I commit to attending all Ignite sessions.

— I commit to adding to my database 200 (or more!) names and contact information as quickly as possible within 30 days of this dated agreement.

Family/Significant Other Agreement

Your loved one has chosen to build a business in real estate. This can provide your family an opportunity to build wealth and live the life you want to live. As with building any business, it will take commitment, time, and effort. Above all, it will also take your support.

As your loved one begins this new endeavor, please take a moment to consider the statements below and discuss how you will support one another in this exciting time.

Family Member:

— I understand the time and activity commitment that Ignite and a real estate business requires.

— I understand that in starting a real estate business workdays may extend into evenings and weekends.

— I understand the commitment and give my complete support. This may mean that I am doing more for a while—caring for children, making meals, cleaning, etc.

Capper in Training:

— I understand that my family is supporting me so that I can succeed and I commit to do the activities required to be successful.

— I commit to communicating my schedule to my family to better plan our time together.
