details to consider before booking

Perfect for showers, corporate events, parties, date nights, and more!
Booking 5 to 20 participants per event. All materials and supplies are provided. Workshops run for 2 hours minimum. We can only provide non-alcoholic refreshments. Email us if you have any additional questions on booking a Sip & Scented Candle Workshop experience!

your instructor

Hey There! My name is Nyndia and I am your instructor! I started making candles due to smell sensitivity to store bought candles. Before I knew it, friends and family were asking to buy my designs. I'm the proud owner of The Sweetest Thing Shop! Our candles have sold in eight retail stores and we were featured in the Boston Globe in 2024!
