

THE MOST UNIQUE WAY TO CELEBRATE TOGETHER.

Looking for something beyond the usual? Beeyond Yoga Studio is the kind of experience that elevates any celebration, equal parts fun, luxurious, and deeply good for the soul. Whether you're planning a bachelorette weekend, a birthday to remember, or a girls' day out with your favorite people, Beeyond has a class, and a private experience, made for exactly that moment.

RENT THE STUDIO. OWN THE EXPERIENCE.

Beeyond Yoga Studio is available for private group bookings, meaning you and your whole crew get the entire space to yourselves. No strangers, no distractions, just your people, your energy, and an experience crafted around your vision. Work with owner Brenna Bee to customize a class that fits your group perfectly, whether that's a high-energy heated flow, a sculpt and sweat session, a dreamy sound healing meditation, or anything in between. However you're celebrating, this is the private party experience everyone will be talking about long after it's over.

CHOOSE YOUR VIBE. WE'LL BRING THE MAGIC.

With 45 weekly classes and fully customizable private options, Beeyond can match any group energy.

A few crowd favorites for celebrations:

- Hot Power Flow or Bee Fiery Flow: Turn up the heat. These infrared and steam-heated classes deliver a full-body sweat and serious feel-good energy. Perfect for the group that loves a challenge.
- Inferno Hot Pilates or Yoga Sculpt: High intensity, low impact, and endlessly empowering. Your group will leave glowing, strong, and ready to keep the celebration going.
- Sound Healing & Meditation: A deeply immersive experience using healing instruments and sound vibrations to release stress and restore calm. A truly one-of-a-kind, unforgettable moment for any group.
- Sunday Sundown Series: Close out the weekend with a restorative wind-down designed to melt away tension and leave everyone feeling soft, peaceful, and completely renewed.

WORKSHOP EVENTS ALL WEEKEND LONG.
