Important Information

- **Itinerary:** You will receive a more detailed itinerary via email at least 24 hours before your reservation. This ensures both parties have the most up-to-date information on the day of your reservation. If you prefer to receive it earlier to assist with other planning, please let us know.
- **Limo Driver Contact:** On the evening of your reservation, you'll receive a text with your driver's name and phone number for easy coordination.

Part 1 – Lounge Meet-Up

(Skip this section if you opted out of the lounge visit.)

- **Lounge Check-in:** When you arrive at the lounge, go to the podium, check in under your name, and say you're with **GXP Tours**.
- **Lounge Arrival Time:** We recommend checking in at least 1-hour before your scheduled limo pickup time so that you can enjoy a drink & take in the beautiful rooftop views. Your scheduled limo pickup time is the time you selected when making the reservation. It is also printed on your order confirmation. **Example: If you booked your experience for 10:00pm, we recommend checking into the lounge at or before 9:00pm.**
- **Remember:** Transportation **to** the lounge is **not** included, but can be added as an upgrade if requested at least 48 hours in advance.

Keys to Success:

- **Valid ID:** All guests must have valid ID - Driver's license, Military ID, or Passport. No expired or non-government-issued IDs.
- **Dress Code:** Please adhere to our [Dress Code Guide](#).
- **Name Not on the List?** No worries! Remain calm and mention you're with GXP Tours.

Rare Situations:

Part 2 – Private Party Limo

- **Limo Pickup Time:** The time you booked this experience for is the time your limo will pick you up. Please be ready 5 minutes before your scheduled time. **PRO TIP: Strip hotels/casinos are large, so please be aware of any extra walking time needed to arrive at your pickup location punctually.**
- **Limo Pickup Location:** Most lounge/hotel/casino limo pickup locations are at the **main valet**. You will be informed if your pickup is elsewhere. **Your driver will contact you via phone as they are arriving** and can also help instruct you if needed.
- **ID Check:** A second ID check is required before boarding. No one under 21 is permitted inside the vehicle.
- **Drinks Onboard:** Your limo **includes complimentary Champagne & mixed drinks for you to enjoy** complete with cups, napkins, ice etc. BYOB is also allowed onboard! Outside drinks **cannot** be brought into nightclubs or lounges.
- **Music:** Play your favorite music from your phone over the vehicle sound system via Bluetooth connection or simply ask your driver to put on some party tunes.
- **Scenic Stop:** 1-hour rides include a stop at either the Welcome to Las Vegas Sign or Bellagio Fountains for photos. 2-hour rides can visit one or both if you'd like! **PRO TIP: If the Vegas Sign has a long line, simply stand off just to the side of the sign as that's still a great angle for pics!**

◆ **Rare Situations:**

- **Vehicle Changes:** Vehicle changes are very rare, but can happen due to last-minute maintenance or mechanical issues (**Summer heat can be tough on limos!**). If this occurs, we'll get a replacement ASAP and make sure your experience is still top-tier.

Important Notice:

- **Safety:** NO standing on seats! It's a safety risk and may damage the vehicle.
- **Keep it Clean:** No food or smoking allowed onboard.
- **Damage/Cleaning Fees:** Torn interior fabric, excessive spills, vomiting etc. will result in fees ranging between \$200-\$350+.

- **ID & Dress Code:** Another ID-check applies at the club. [Dress code](#) is strictly enforced.

Restrictions Apply:

Keys to Success:

- **Issues at the Door?** Remain calm and **text your promoter** for help.
- **Bouncer Denials:** If a guest is denied entry or ejected from the venue for violating dress code, appearing too intoxicated, behaving in an unruly manner or found in possession of a prohibited item, we cannot override the venue staff's actions. Politely comply and message your promoter for assistance.
- **Security Search:** All club guests will be wanded with a metal detector and have their belongings searched. **Please abide by the prohibited item rules listed on our [Dress Code Guide](#) to prevent any issues.** Prohibited items will be confiscated and may even result in denial of entry, an escort off property or even be escalated to legal authorities if necessary.
