

BLACKOUT Country Dancing

Bachelorette Line Dance Experience

Boston & New England

About the Experience

Blackout Country Dancing brings a fully private, custom line dance party right to your bachelorette crew. We take over a private studio, transform it into your chosen theme, and spend 1.5 hours teaching you the moves, playing the songs, and hyping you up the whole way through. No experience needed — and if you're already strong dancers, we'll turn up the difficulty to match your energy.

We like to call the experience a dance party with lessons included!

Choose Your Theme

Red, White & Boots Celebrate the way the founding fathers intended: stars, stripes, and cowboy boots	Coyote Ugly Rowdy bar-energy inspired by classic honky-tonk nightlife.
Dirt Road Disco Disco balls, neon, and a whole lot of rhinestones!	Coastal Cowgirl Beachy western vibes with boots, cowgirl hats, and Boston coastal charm.

Pick your theme when you book & we'll decorate the studio so the vibe is already set when you walk in.
