ABOUT THE VENUE

Have your own event!

We are excited to be a part of your special event! Our cozy and unique farmhouse-themed venue is perfect for intimate birthday parties, bridal showers, baby showers, gender reveals, fundraising, corporate or business holiday parties, community events, and more!

WORD AROUND TOWN

We hosted our baby shower at Farmhouse. The owner is great at communication and working within our budget and needs. The space is beautiful, and we even had help setting up from the staff. Our guests were very impressed with the location and couldn't wait to come back!
