Gather. Celebrate. Savor.

Coop's Table is a New Orleans-based, female owned catering business creating memorable food experiences for events and celebrations.

Hi, I'm Bunkie

Dietitian. Chef. Food Lover.

Sarah Newton—though most people call me Bunkie. I'm a Dietitian who has studied food for years and brings both nutritional knowledge, culinary experience and passion to every dish I create.

I enjoy creating custom menus based on your event. Focusing on bringing the personality of the celebration out in the food. After all I believe it is food that brings people together. Whether it is a Jazz Fest Brunch or whole hog roast let us help you tell your story through the food.
