DT Bartending Services
isn't just about serving drinks —
we elevate the experience.

Based in **Los Cabos, Mexico**, and founded in 2019 by **Diego Téllez**, we are a full-service catering company driven by one mission: **to exceed expectations at every event.**

From the first conversation, we listen intently to your **vision, preferences, and needs** — then transform them into **unforgettable moments** for you and your guests. Every detail, from the **first pour to the final toast**, reflects our commitment to **originality, precision, and world-class quality**. With DT Bartending Services, your celebration isn't just another event... it's a chance to truly **elevate the experience.**

A close-up photograph of a bartender's hand pouring a light-colored liquid from a silver cocktail shaker through a strainer into a glass filled with ice and a sprig of mint. The bar setup includes a black mat, a glass of fresh mint leaves, and several stainless steel jiggers. In the background, there are more glasses and a blurred bar area.
