"Get it outta the group chat!"

Choose from two options:

- **Full Setup & Styling** – We handle everything from delivery to design. You pick the theme, and we transform your table on-site with curated décor, linens, and finishing touches.
- **DIY Kit Option** – Prefer to set it up yourself? We'll drop off a ready-to-style kit complete with labeled décor elements, styling instructions, and an inspiration guide.

Each tablescape includes:

- Theme consultation and color palette selection
- Curated table décor (runners, linens, chargers, candles, etc.)
- Custom menus or name cards
- Optional florals and favors
- Setup or drop off based on your selection
