Each category has vegetarian options available. Unfortunately we cannot do any further modifications (such as GF, Vegan) to existing orders, and we suggest ordering something that fits that category or sourcing separate from us.

NUT ALLERGIES

Please let us know if there are any nut allergies in the group so that we can ensure to tell you what items have nuts in them. We need to be informed in writing to ensure that we have this communication on record and meet the safety requirements.

ADDITIONAL OPTIONS?

If there is something in particular that you are looking to serve, please let us know and we will work with you to customize your experience for an additional fee.

In order to deliver the best experience on board, we do not recommend anything that should be served hot or requires a seated experience as our vessels are not conducive to this type of service.
