

Specialty Services

NAD+

A co-enzyme naturally found in the body and is commonly chosen to support cellular fueling, healthy aging, recovery, athletic performance, metabolism, focus, mental clarity and overall wellness! At Enlive, we offer NAD+ in injection or infusion options - and both available as a same-day service!

Same Day Access

Any dose, *Injection (max 100mg)*...\$65
Any dose, *Infusion (max 500mg)*....\$350

NR/Niagen

A faster-administered NAD+ precursor option commonly chosen for cellular energy, focus, recovery, healthy aging support, and a potentially more comfortable experience.
Available as a same-day service!

Same Day Access

Any dose, *injection (max 100mg)*.....\$175
Any dose, *infusion (max 500mg)*.....\$650

Carnitine

A favorite for busy schedules, workouts and big goals - commonly chosen to support performance, energy, metabolism, and weight-management!

Same Day Access

Any dose, *injection (max 1000mg)*...\$50
Any dose, *infusion (max 2000mg)*.....\$199
