

Specialty Services

NAD+

A co-enzyme naturally occurring in your body that provides cellular fuel to support anti-aging, recovery, athletic performance, metabolism, cognitive function, brain fog and more!
At Enlive, we offer NAD+ in injection or infusion options - and both available as a same-day service!

Same Day Access

Any dose, *Injection (max 100mg)*...\$50
Any dose, *Infusion (max 500mg)*....\$350

NR/Niagen

Great option for anyone looking for time back in their day, as it is administered 75% faster than NAD+! As a precursor and purest form of NAD+, all the same great benefits with reduced potential side effects!
Available as a same-day service!

Same Day Access

Any dose, *injection (max 100mg)*.....\$150
Any dose, *infusion (max 500mg)*.....\$650

Carnitine

A favorite for those looking for an extra edge, perfect for those who want support that keeps up with busy days, workouts, and big goals! A great option for a performance boost, and feeling energized by supporting the body in turning fat into usable energy!

Same Day Access

Any dose, *injection (max 1000mg)*...\$50
Any dose, *infusion (max 2000mg)*.....\$199
