

VITAMIN THERAPY

DRIP LOUNGE

Ajara Beauty Essence Drip (Ageless Glow) \$250

The Ajara Beauty Essence Drip (Ageless Glow) is an advanced infusion that helps combat oxidative stress, promotes youthful skin, and supports overall vitality. Rediscover a glowing, refreshed appearance and feel invigorated from the inside out. This infusion features potent doses of B vitamins, vitamin C and glutathione.

Immuni-C Boost Drip \$200

Boost your immune system and enhance your natural defenses with the Immuni-C Boost Drip. This potent infusion delivers a high dose of vitamin C directly into your bloodstream, helping to fight off illness, reduce fatigue, and promote overall wellness. Experience a revitalized immune response and feel more energized with each treatment.

Revitalize & Recharge Drip \$160

Reclaim your energy and restore balance with the Revitalize & Recharge Drip, designed to combat fatigue, travel recovery, stress relief, and hydration. This revitalizing infusion contains B-vitamins and minerals.

The Morning After Magic Drip \$195

The Morning After Magic Drip, often referred to as the “hangover cure” but also provides double the hydration, contains B- vitamins, minerals, and anti-nausea. Bounce back fast and ease symptoms of a hangover, helping you recover quickly and get back to feeling your best.

Vital NAD+ Gold Drip \$395

Elevate your vitality with our exclusive Vital NAD+ Gold Drip— Ajara Beauty’s premier cellular rejuvenation therapy. This powerful co-enzyme works at a molecular level to restore energy, enhance clarity, and support graceful aging. Whether you’re combating fatigue, boosting brain function, or investing in long-term wellness, this infusion delivers a revitalizing experience that helps you look and feel your best— from the inside, out.

AthletiDrip \$255

Level up your performance with Ajara Beauty’s AthletiDrip— a high-impact IV infusion tailored to athletes and active lifestyles. This powerhouse blend of B-vitamins, amino acids, vitamin C, and essential minerals hydrates, energizes, and supports muscle repair and endurance. Whether you’re training hard or recovering fast, AthletiDrip keeps you in the game stronger, longer, and smarter.

HydraRenew Rx Drip \$280

Revitalize from the inside out with Ajara Beauty’s HydraRenew Rx Drip— a powerful blend of glutathione, B-vitamins, amino acids and high dose vitamin C. This infusion deeply hydrates, detoxifies, and supports immunity, energy, and radiant skin— all in one restorative treatment.

VITAMIN BAR

GlutaGlow Boost Injection \$60

The GlutaGlow Boost injection is a powerful shot that delivers concentrated glutathione, a potent antioxidant, to support radiant skin, detoxify your liver, and boost overall vitality.

The PowerHouse B12 Injection \$30

The PowerHouse B12 Injection is a potent shot that delivers high quality methylcobalamin B12 directly into your system, boosting energy levels, enhancing mood, and increases red blood cells.

LipoBoost B12 Injection \$60

The LipoBoost B12 Injection is a powerful shot that helps support weight management. It combines lipotropin compounds with B12 to boost metabolism, increase energy levels, and aid in fat metabolism
