

LET'S TALK ABOUT IT

Group Tans

Mobile group tans take place at your location of choosing, one location must be used for all clients in the group and all clients must be ready to tan at the same time. I will set up in your space and each client will take approximately 20-25 minutes. Minimum of 4 required for group tans, pricing is \$60 per person. Add ons such as hydration spray, pearl shimmer, gold shimmer and skin firming serum can be added by each individual client for an additional charge.
