

Yacht Overview

38Ft Axopar

EXPERIENCE M/Y

Axopar

Miami, Bahamas & Caribbean

Confident and contemporary, the Axopar 38 redefines what a modern sport cruiser can be. With its striking silhouette, clever deck layout, and versatile design, this 38-footer offers the perfect mix of style, performance, and practicality. Crafted with meticulous attention to detail, it delivers agile handling, impressive speed, and exceptional comfort—ideal for both exhilarating day trips and relaxed coastal escapes.

| Length | Cabins | Guests | Sleeps | Crew |

| 38'/11m | 1 | 8 | 2 | 1 |

ABOUT THE BRAND

Axopar

Axopar stands at the cutting edge of adventure boat design, blending innovation, performance, and a distinctive Scandinavian spirit. Celebrated for its intelligent layouts, precision engineering, and uncompromising quality, Axopar continues to set new standards for versatility, speed, and handling on the water. Each model is built at state-of-the-art facilities, where advanced technology and expert craftsmanship come together to create boats that are as striking as they are seaworthy.
