

BEAD & CHARM BAR PARTY

Our Bead & Charm Bar is perfect for birthdays, friend get-togethers, and special celebrations.

Guests choose from a rainbow of beads, chains, and charms to make a project they'll love and take home the same day.

Whether you want a guided crafting session or a "pick and we'll assemble" option for younger kids, we make sure every guest leaves with a one-of-a-kind creation.

Minimum of 4 guests and a maximum of 20.

PACKAGES

Every party comes with a dedicated party lead and assistant to keep things running smoothly, help guests with their projects, and make sure everyone stays engaged and having fun from start to finish.
