RESTORE

215

Hit the reset button and experience a rejuvenating transformation. Provide your body with the essential nourishment and support it craves to restore it to your optimal state. Ideal for combating viruses, allergies, boosting the immune system, preventing illnesses, and recharging your metabolism.

Composition: Hydration, Electrolytes, Mineral Blend, B-Complex, Methylcobalamin (B12), Vitamin C, Magnesium, Zinc, and Glutathione.

RENEW

185

Heading out for a night on the town? Just finished a rigorous workout? Look no further than this infusion. The ultimate solution for an energy boost, liver detoxification, and comprehensive support for muscle rebuilding, maintenance, and hydration. With its powerful combination, it enhances endurance, speeds up recovery and minimizes downtime, catering to both athletes and those enjoying their day (or night) to the fullest.

Composition: Hydration, Electrolytes, B1, B2, B3, B5, B6, Methylcobalamin (B12), Mineral Blend, Amino Acids with Glutamine, Taurine and Magnesium.

RE-ENERGIZE

130

Replenish your entire being with the foundational elements of a vibrant and thriving body. This formulation of B vitamins not only fuels your energy reserves but also plays a vital role in optimizing brain function and supporting the intricate mechanisms that dictate cellular metabolism.

Composition: Hydration, Electrolytes, Thiamine (B1), Riboflavin (B2), Niacin (B3), Pantothenic acid (B5), Pyridoxine (B6), Biotin (B7), and Methylcobalamin (B12).

REVITALIZE

350

Your go-to infusion for a natural energy lift, enhanced focus, and deep cellular renewal. This drip supports brain function, metabolic health, and recovery from fatigue or burnout. It's perfect for busy professionals, parents, or anyone feeling depleted and needing a reset from the inside out. Revitalize your body- without the crash, sharpen your mind, and feel ready to take on whatever's next.

Composition: 500mL of Hydration, Electrolytes, Methylcobalamin (B12), high-dose Taurine and 250mg NAD+

RADIANCE

195

Now it's time to show some appreciation to the largest organ in your body, your skin. Pamper it with a touch of care, courtesy of potent antioxidants that eliminate harmful free radicals, enhance skin elasticity, and stimulate cellular regeneration.

Composition: Hydration, Electrolytes, B-complex, Biotin, Magnesium, high-dose Vitamin C, and high-dose Glutathione.

REVIVE & RESTORE

IV HYDRATION + WELLNESS

REBIRTH

170

Dedicated to the well-being of expectant, lactating, and postpartum mothers, this infusion offers a blend of energy, hydration, and gentle muscle relaxation. Crafted to nourish both mother and baby, it aids in supporting optimal nutrition. For breastfeeding mothers, it additionally promotes an increased milk supply.

Composition: Hydration, Electrolytes, Methylcobalamin (B12), B6, B-complex, Taurine, and Magnesium.

****This infusion has been clinically validated as safe for expectant and lactating mothers. Medical clearance from our Medical Director required prior to administration.**

MYER'S +

230

Clinically proven to combat fatigue, enhance the immune system, relieve headaches and muscle soreness, promote athletic recovery, and uplift your mood. Derived from the renowned "Myers Cocktail" formula, this modified blend incorporates nutrients to nourish and fortify cellular well-being.

Composition: Hydration, Electrolytes, Methylcobalamin (B12), B-Complex, Vitamin C, Magnesium, Calcium, Zinc, and Glutathione.

NO MORE MIGRAINE

175

Seeking relief from persistent migraines or tension headaches? This infusion is specifically designed to prevent and alleviate migraines, minimize downtime, and decrease pain levels.
