## CORPORATE CIRQUE EDUCATION

### aerial WORKSHOPS

Learn to fly amongst friends and colleagues!

There is nothing like taking on a challenge together. Tap into some mind, body and emotional space in ways that could lead to creative thinking and problem solving in the days and weeks that follow.

Client choice: Indoor or Outdoor pending venue

(shown: Aerial Rig in the forest)

### ACRO partnering

Teamwork in a very realistic sense. Work on balance, coordination, communication and positive thinking all at once.

(shown: group photo after an acro session focused on partner based exercises)

### grounded CIRQUE techniques

Physical activity that only needs a flat area and an open mind. Learn various circus skills using soft props. Coaches focus on both solo and group learning and activity.
