

## Important Booking Notes!

Congrats—you've just taken the first step toward an epic adventure on the Marissa! We're stoked to have you on board. 🎉 You're on a boat cruising beautiful Mission Bay—life's good! But to keep the vibes high and the risks low.

Take a sec to read this whole notice (yep, it's long, but it's worth it). It's packed with important info to make your trip smooth sailing—including policies and pro tips.

### **Before You Arrive:**

- Heads up! All correspondence, including cancellations, happens via email.
- Winter weather can be tricky! If we have to cancel due to weather, you'll hear from us 12-24 hours before your trip. If you're traveling and need more notice, just email or text us ASAP.
- Arrive a few minutes before your boarding time—that's the time you need to be on the dock and ready to hop on. Parking is FREE but can be a pain (thanks, beautiful San Diego beaches), so plan ahead or grab a rideshare.

### **What to Bring:**

We've got the basics covered (bottled water, hot tea, coffee, and cocoa on request), but to make the most of your trip, consider bringing :

- Towels (because, water)
- Sunscreen (stay sun-smart)
- Snacks & Beverages (BYOB—no glass, please!)
- Ice for cooler
- Sunglasses (always looking good)
- Sweatshirt or Jacket (it can get breezy out there)
- Seasickness Medication (trust us, you'll thank yourself later)
- Government ID
- Tips for the Crew (Cash or Venmo, whatever works!)
- Decorations if you're throwing a themed party
- Anything else to make your crew comfy!

### **Pro Tip:**

-Seasickness Sucks If you're even thinking about feeling seasick, just take something—Dramamine, Bonine, or Ginger (but ginger's hit or miss). Our secret? Take it the night before and then again 2 hours before the trip. Trust us—you don't want to spend your whole adventure hugging a bucket.

### **Tipping Etiquette:**

-Our crew works hard to make your experience unforgettable—show them some love with a 20% tip (or more if you're feeling generous!). Cash is cool, but we're all about digital tips via Venmo or your fav platform too.

### **Before You Board:**

- Everyone hops on at their own risk! You MUST review and agree to the following before boarding:
- Bay Cruise Charter Agreement
- Waiver & Release of Liability Agreement
- Acknowledgment of Risk
- Rules/Regulations/Safety Briefing
- No alternate pickups—if you didn't leave from the Our Dock, you're not getting on.

### **Rules & Safety—Read This!**

- Stay Safe & Keep It Classy: No reckless or illegal behavior—zero tolerance.
- NO DRUGS. Period. We're a USCG Drug-Free Zone—break this rule, and your trip's over.
- Capacity Check: Max 20 people on board. No surprise guests—if you didn't leave from the dock, you're not getting on.
- Doggos Welcome! Just keep them supervised. 🐾
- Kids Must Be 5+ and Over 90 lbs—and always supervised by an adult.
- No Glass Allowed. We'll charge a \$200 cleanup fee if glass breaks - Glass never washes off & glass + bare feet just don't mix.- so stick to cans or plastic.
- Inclement Weather: If lightning strikes or weather gets sketchy, we'll head back to the dock—no questions asked.

### **Respect the Boat:**

- Move carefully—whether you're boarding, moving around, or hopping off.
- Clean up your mess. If you leave the place looking like a post-party disaster zone, cleaning fees will hit.
- You're on the hook for any damage or lost gear—let's keep it intact!
- Be on time! Charter time starts when scheduled, whether everyone's there or not.

### **Cancellation Policy:**

- Less than 7 days? You'll be charged the full amount of the charter (\$600/hr).
- Need to Reschedule? You can do that as long as it's more than 7 days in advance. - To cancel or reschedule, shoot us an email at [CaptLora@marissacharters.com](mailto:CaptLora@marissacharters.com). - For more details, check out our website.

### **Finding Us Made Easy:**

- Navigate to Mission Bay Sportcenter (1010 Santa Clara Place) and look for the second break in the median—TURN LEFT.
- You'll see swing sets, a baseball field, and eventually a parking lot—park here! (It's free, but busy, so rideshare or carpool if you can.)
