## **Valle de Guadalupe Wine Tasting Private Tour**

Enjoy a private all-inclusive wine tasting tour (9 am to 7:30 pm) to Valle de Guadalupe.

In the morning, you’ll be picked up at your location of preference and driven south across the border in a private luxury van. The air-conditioned van seats 6-14 passengers with reclining seats and plenty of legroom. For those who prefer privacy, the only people you need to communicate with is your party and tour guide.

Once in Mexico, you will enjoy an easy one hour drive along the Pacific Scenic Route towards Ensenada. Stop over at El Mirador for a view of the bay. During whale season, you may spot a few whales in the water. Baja whale watching is a favorite activity and, if needed, we can stop for a closer view or bathroom break.
