THE MAGICIAN

CLOSE UP & PARLOR MAGIC — A MENTALISM PERFORMANCE

An evening of impossible moments, big laughs, and one very startled guest of honor. Every performance is custom fit to your group — the jokes, the volunteers, and the finale all built around the people in the room.

THE EXPERIENCE

ACT ONE — 30 MIN Close Up Magic

Guests gather around Kristoff at one large table as he performs jaw-dropping close-up magic inches from their eyes. Intimate, interactive, and impossible to explain.

ACT TWO — 30 MIN Parlor Magic & Mentalism

The whole group gathers for a stand-up comedy magic and mentalism show — mind-reading, prediction, and audience-powered miracles that build to a finale spotlighting your guest of honor.

WHY IT WORKS

- ◆ Highly interactive — guests aren't watching, they're part of the magic.
- ◆ Mind-melting mentalism — moments people will talk about for years.
- ◆ Genuinely funny — comedy-forward, built for a room full of adults having a good time.
- ◆ Custom fit — tailored to your group, your venue, and your event.
- ◆ Guest of honor spotlight — a personalized finale that makes the night about them.
