Danielle's Favorite Things

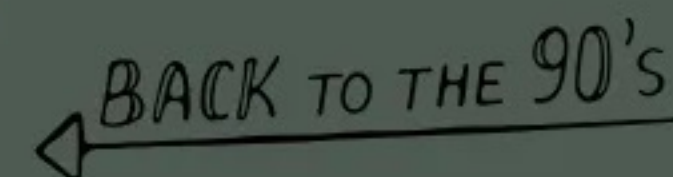

Dirty Dancing

"Nobody puts baby in a corner" Let's make a dirty martini. If you drink enough of them, maybe you'll get a dance with Patrick Swayze

Jane's Addiction

Jane says she's one of her favorite things so lets make you a Tequila cocktail and see if that changes

Titanic

"Draw me like one of your French Girls" Now that Danielle is 25, she is a bit too old for Leo, but a French 75 should provide the fountain of youth

Never Been Kissed

Keep It Simple Stupid! Let's make an old fashioned with some chocolate notes, and garnised with a hershey KISS

Muppets Christmas Carrol

"Light the lamp, not the rat!" Christmas flavors should exist all year round. Here is Christmas mocktail!
