WHAT IS PERMANENT JEWELRY?

Permanent jewelry is a custom-fit jewelry piece that's welded closed rather than having a clasp. It's designed to stay on permanently for years—no clasps, no fuss. We offer permanent *anklets, bracelets, hand chains, chain rings, & body chains.*

Each weld takes 10–15
minutes. Just 5 guests
minimum. I'll bring the
vintage VW bus to you for a
fun, one-a-kind jewelry
experience!
