Eligibility & Registration

By registering and bidding, Bidder represents and warrants that they are at least 18 years of age and legally capable of entering into binding contracts. Registration constitutes Bidder's agreement to these Terms & Conditions.

A valid major credit card is required to register. Worley requires a \$25 authorization hold at registration. This is not a charge and will be released at the conclusion of the auction, subject to the policies of Bidder's financial institution. The authorization will not be applied toward purchases.

Auction With Reserve; Seller Confirmation

This auction is conducted with reserve and is subject to Seller confirmation unless expressly stated otherwise in writing. The high bid is an offer that may be accepted or rejected by Seller within twenty-four (24) hours of auction close. Buyer's offer is irrevocable during the confirmation period. If Seller rejects the offer, Buyer's sole remedy is return of any deposit actually received.

Property is offered as is, where is with no warranty of any kind, express or implied, including merchantability and fitness for a particular purpose, subject to all easements, restrictions, zoning, covenants, and other matters of record.

Bidders shall rely on their own inspection and not upon any description by the auctioneer, owner, or employees/agents of either. No liability for accuracy, omissions, or errors is assumed by the auctioneer, owners, or their agents.

Buyer's Premium

A 10% buyer's premium will be added to the high bid to form the total purchase price.

Non-Refundable Deposit (Wire Transfer Only)

Ten percent (10%) of the total purchase price is due as a non-refundable deposit by wire transfer only at the conclusion of the auction. Wiring instructions will be provided by the Auctioneer/Auction Manager to the successful bidder by email following the close of the auction. The deposit must be received within twenty-four (24) hours of auction close (time is of the essence). Failure to timely remit the deposit constitutes a default and may result in cancellation of the sale, forfeiture of bidder rights, and the property being offered to the next highest bidder or re-sold, in Auctioneer's sole discretion.

Deposit Handling

The deposit shall be wired to the account designated in the wiring instructions and held in accordance with Ohio law and the Contract to Purchase, including applicable trust/escrow requirements. Buyer acknowledges that wiring instructions may be issued by Auctioneer or the closing/escrow agent identified by Auctioneer.

Closing / Default / Liquidated Damages

Time is of the essence. Buyer must close within thirty (30) days. Failure to close as required shall constitute a default. Buyer agrees that Seller will incur administrative, carrying, and remarketing costs that are difficult to precisely calculate; therefore, Buyer agrees to liquidated damages of \$100 per calendar day beginning on the first day after the scheduled closing date and continuing until closing occurs or Seller terminates the Contract, as a reasonable estimate of Seller's damages and not as a penalty. In the event of Buyer default, Buyer's non-refundable deposit shall be forfeited as provided in the Contract to Purchase. Seller and Auctioneer reserve all other remedies available under the Contract to Purchase and Ohio law.

No Contingencies: The sale is not contingent upon financing, appraisal, inspection, sale of other property, or any other buyer contingency. If Buyer is unable to complete the transaction for any reason, Buyer's non-refundable deposit shall be forfeited and Seller may pursue any and all remedies available at law or in equity, including specific performance where permitted.

All Sales Are Final

No claim will be considered for allowance, adjustment, or rescission of any sale based on failure of the property to correspond to any particular standard or expectation.

Occupancy / Possession at Closing

No work can be done on the property by purchaser until possession is given at closing.

Bidding Responsibility

Bidder is solely responsible for understanding the auction process and for all bids placed under their bidder number. All bids are final and binding once submitted.

It is released by us at the conclusion of the auction, but depending on the policies and procedures of your financial institution, may not appear available for three to ten business days. Authorization by credit card at the time of registration is an industry standard practice among online auctioneers.

Tax and Deed

Buyer shall be responsible for all transfer taxes, recording fees, and title search and deed preparation. Seller shall be responsible for real estate tax pro rata, mortgage releases, and guarantees to convey a good and marketable title. Buyer is responsible for all other costs associated with closing. All dimensions and descriptions are based upon information supplied to the auctioneer, owners, and their agents and are subject to possible variation.

Use Caution

Please be aware that bidders sometimes increase their own bid to price an item out of reach of other bidders. You should immediately review your bids once submitted. If you mistakenly increase your own bid, place your bidder number in the bid field, or make a typographical error, you must immediately contact our office by email penny@worleyauctions.com (we must have your request in writing). We will not reverse bids after the auction has closed – No Exceptions!

Realtor Participation

Two percent (2%) Please note that bidders do not need an Agent to participate in this auction! Co-op, subject to the timely completion and submission of our Realtor Participation Agreement, available on our website, incorporated by reference and by this reference made a part of the

Terms. Buyer is responsible for ensuring their agent registers in accordance with the Realtor Participation Agreement; no exceptions after bidding begins.

Dynamic Closing

The closing time is automatically extended an additional 5 minutes whenever a bid is placed within the last 5 minutes of the scheduled closing time. Thus, when an auction is set to close at 2:00pm, if a bidder places a bid on the item at 1:58pm, the auction closing time will be extended to 2:03pm. If another bid is placed at 2:01pm, the item's closing time will be extended to 2:06pm, and so on. It is therefore important to monitor items you're bidding on by regularly refreshing the page as the auction nears closing.

Bid Notification

If you have been outbid you will be notified by email only until the last day of the auction — starting at midnight Eastern Time on the date of auction closing, notices are not sent. To quickly review your bids and see if you have won you can utilize the "Review Bids" feature. Items on which you have been outbid on will be clearly marked.

Winning Bidder Notification

Winning bidders will be sent an electronic invoice by email only (you are responsible for checking your email). If you feel you have won an item and have not received an email you must notify us by email no later than 9am the next day. If you do not receive an electronic invoice, then you did not win any items at the online auction.
