We pray that the joy and peace of our Lord Jesus will be ever present in your own heart and home all the days of your life. May He prosper all that your hands touch and lead you to good success always!

Joseph and Wendy Prince
Today, thanks to support from partners like you, the Joseph Prince Ministries broadcast program has more than 250 airings a week across America on over 35 networks. More and more people are now hearing about the amazing love of our wonderful Savior daily on multiple television networks. Still others are tuning in to JosephPrince.tv to watch full episodes of the latest programs from the comfort of their homes, 24 hours a day, 7 days a week.

And every day, testimonies pour in from precious people whose lives have been profoundly changed after watching JPM’s broadcast on these channels. Stories like Teri’s below, as well as Charlie’s and Vernice’s in the following two pages.

A number of years ago, I was experiencing menopausal symptoms such as night sweats, extreme brain fog, crying jags, and fatigue. I was diagnosed as having chronic fatigue syndrome. I took all my prescribed medicines but felt only a little better.

One day, I came across Joseph Prince’s television program and began to watch his broadcasts daily. Pastor Prince, you presented the gospel in a way I’d never heard before.

Each day I looked forward to your program to hear more of the Word.

I was so impacted by your messages about how Abraham and Sarah experienced a renewal of their youth as they waited upon the Lord. I learned that I am the seed of Abraham and a daughter of Sarah, and that I have been redeemed from the curse.

Six months after I started watching your program daily, I realized all the menopausal and chronic fatigue symptoms were gone! I have now been free from these symptoms for eleven years. Praise the Lord, God is so good!

I continue to believe and confess that I am a fruitful vine and as my days are, so shall my strength be. Thank you, Pastor Prince, for preaching the true Word of God. May God continue to bless you and your family!
FREED FROM LONG-TERM PORNOGRAPHY ADDICTION

Charlie | Arizona, United States

Pastor Prince, I am so thankful to God for leading me to your sermons on television. I’m a sixty-four-year-old man who had been addicted to pornography since my early teens. I questioned how I could be saved and still have this addiction in my life.

I hated myself for being so weak and for being such a hypocrite. The desire was so strong—it was the first thing I thought of when I woke up and the last thing on my mind before I fell asleep. I believed God was against me for being this way, and I was always waiting for something terrible to happen to me or my family.

Your sermons taught me how to believe right. I learned that I was completely forgiven of all my sins, and God was not angry at me. When I heard you teach us to say, “I am the righteousness of God in Christ Jesus,” even while watching pornography, I began to do this.

Several weeks went by but I didn’t see any difference. But one morning, I woke up and knew that something had changed. I no longer had that awful desire to watch pornography. It has been several months now, and I am completely free of that bondage! I am so grateful for your ministry that has taught me how to believe right and live right.
My daughter had a foundation in Christ because of what I had taught her as a kid. But she headed down a wayward path because of secular influences later in her life. She gave her virginity away because it was “no big deal” to her.

It broke my heart because she lost the special gift that God has given every young lady for marriage. She refused to go to church as she didn’t want to “give up her fun” yet to be saved.

I kept listening to Joseph Prince’s sermons and kept praying for her. One day, Joseph Prince showed the animation of Jesus on the cross in his sermon and my daughter saw it. She cried and stood in front of the television, praying the salvation prayer. She is now saved!

Praise the Lord Jesus Christ. Hallelujah, He is King!
The Lord has brought us to a spacious place! We’re talking about our new campus in North Richland Hills (NRH) for Grace Revolution Church (DFW), our local church plant in Dallas-Fort Worth, Texas.

Our GRC (DFW) family that used to gather at the former Las Colinas location now meets in the bright, new space in NRH which sits 450 attendees per service and features bright, airy rooms for 120 children attending Rock Kidz, as well as an indoor playground.

GRC (DFW) continues to run two local church campuses in NRH and Plano. In view of the current pandemic, please visit JosephPrince.org/grc for the latest updates on the availability of in-person services at our two campuses.

In the second half of the year, JPM also launched GRC Online—a digital campus for anyone who:

- is based in the US or Canada and looking to be part of a community of grace believers,
- has yet to find a local church, and
- is unable to be part of our local church in Dallas-Fort Worth.

Attendees of GRC Online will experience a time of worship, holy Communion, and a recent message from Pastor Prince while attending service together with the rest of our Online family. For more details on our service timings, visit JosephPrince.org/grc.

Because of your faithful support, we are able to continue building this grace-based community for many precious believers. If you’re currently not planted in a local church and looking for one to call home, do visit JosephPrince.org/grc for more information.
I was laid off in February and have been experiencing financial difficulties during this time. While I had faith, it was becoming an increasing struggle to retain peace in the midst of a string of challenges, setbacks, and disappointments.

While watching GRC’s service online, I requested for prayer for God’s provision via the prayer function in the live chat. As the team prayed for me, even though it was via an online chat, I was so overwhelmed by the presence and the comfort of the Holy Spirit that I wept as I received the prayer.

The Monday after I was prayed for, I was invited to a job interview, one that I had not even applied for. The interview was scheduled for Tuesday, and by Friday, I was accepting the highest paying job I have ever had!

I want to give thanks to Jesus, and also to the person who prayed for me on the live chat that Sunday!

REACHING THE NEXT GENERATION WITH HIS GRACE

It’s been more than three years since the ministry has been able to make the gospel of grace accessible to the next generation in amazing new ways through Decibel.one.

Whether it’s through bite-size digital content on our website or social media platforms, or giving them a platform to engage as a community, Decibel.one has helped young people receive the Word where they’re at and find answers to life’s difficult questions.

In fact, many young adults shared how the recent digital campaigns that centered around real-life topics and challenges such as relationships, anxieties, and mental health resonated with them. Here are some of their comments:

“I don’t think the team behind this page understands how POWERFULLY and consistently they are used by the Holy Spirit as guides in these hard times we are facing! May God bless every one of you. I save ALL your posts.”—Fanny

“Wow, this is so cool! Yeh, I can agree that I’ve found every single one of the truths mentioned here to really help me in drawing closer to Jesus in my own walk with Him. So thank you so much. This really blessed me and I shared it with a friend whom I believe will be blessed by it too!”—Justin

Beloved, these are just some of the many testimonies we have been receiving as young people hear, read, and see the gospel of grace. And this is only possible because generous partners like you enable us to start and sustain initiatives like Decibel.one to impact the next generation!
Come, take a moment. Commune with the Lover of your soul through these singles that were specially written to capture His heart and love for you.

MAKING CHRIST KNOWN TO MORE COMMUNITIES

Your generous giving and faithful support allow us to preach the gospel of grace and share the love of Christ in practical ways through our missions initiatives. These include being part of the fight against human trafficking, helping poor communities in Cambodia and Brazil via our humanitarian work, and also partnering with an international first-responder organization to provide disaster relief to communities in Louisiana and Texas that experienced great devastation during Hurricane Laura.

Because of your support, we have also been able to embark on new initiatives to reach out to non-English speaking communities and make the gospel of grace accessible to them in their own languages. For a start, we have translated our messages and books into Spanish and Bahasa Indonesia, two of the most widely spoken languages in the world.

We’re excited that many more precious souls will be able to encounter the person of Jesus and the power of His grace through the Joseph Prince Spanish and Bahasa Indonesia YouTube channels. Both these channels have the potential to reach a multitude of hearts and homes as half a billion people speak Spanish and nearly two hundred million speak Bahasa Indonesia in the world.

TRANSLATING THE GOSPEL INTO FOREIGN LANGUAGES
REACHING MORE THROUGH TRANSLATED BOOKS

We have also been working to translate my books and resources into other languages and distributing them through our network of local pastors, churches, and online platforms.

As the good news of Jesus is shared in these communities, many who are imprisoned by guilt, addictions, sicknesses, and depression are experiencing the Lord’s amazing love and grace and receiving their breakthroughs. Thank you for being part of this!

BEING A PRACTICAL BLESSING TO THOSE IN NEED

We were also able to launch the JPM CARES initiative to help provide practical relief and encouragement to nearly 300 families impacted by COVID-19. On top of the grocery gift cards they received to help with their basic needs, we also had the opportunity to pray for these families and sent them a special resource to share the love of Jesus.

Beloved, because of your generosity, we were able to respond in a timely and helpful way to support those who found themselves affected by unprecedented hardship and challenges during these tumultuous times.

Here are just some of those you’ve helped:

I can’t thank you enough. I maxed out both credit cards trying to make it to the end of the month. May the Lord bless you in all His ways. —Pat

I just want to thank you for this gift card. It couldn’t have come at a more perfect time. I was saying, “Lord I don’t know how I’m going to come up with money for my baby food but I know You have a plan.” I opened my e-mail this morning and I sat here crying, overwhelmed by this blessing. Thank you so much. It was in just the right time. Thank You Lord! —Jenny

Once again, THANK YOU SO MUCH for sharing our vision and sowing into this ministry to impact precious lives with the gospel of grace and be a practical blessing to them. You are truly making a great impact in God’s kingdom! We pray that as you build God’s kingdom with us, you will see Him building your life and all that matters to you.
