

# CARE PRAYER & RESPONSE SPONSOR AGREEMENT

---

## SPONSORSHIP EXPECTATIONS

### TO BE A SPONSOR, YOU WOULD BE EXPECTED TO DO THE FOLLOWING:

Get involved in the person or family's life by being willing to be a big brother or big sister to the family that is needing assistance from BRCC through a CPR Ministry.

### THIS COULD INCLUDE:

- Meeting with the person or family in need along with the volunteer ministry team that will be providing assistance (when needed), to help build relationships with that person or family.
- Assisting the BRCC Benevolence or CPR staff in obtaining any necessary information that might be useful in determining the degree of assistance that can be offered.

- You **must** be willing to offer your time and love to this family before, during and after any assistance is given by the CPR Ministries.
- Your ultimate goal should be to build and maintain a relationship with this person or family. The purpose of this is to establish a relationship that would give opportunity for this person to experience the love of God through your relationship, and for that to be a catalyst for them to move closer to God.

### SUGGESTED ACTIVITIES:

- Meet with them for lunch or coffee
- Prepare a dinner for them
- Find a common interest or hobby
