

Requesting and Supplying PPE in New York

Personal Protective Equipment (PPE) includes face masks, gowns, gloves, and other medical supplies. Below is a list of resources for accessing and donating PPE.

THE
NEW YORK
ACADEMY
OF MEDICINE

PPE REQUEST FORMS

For NYC Healthcare Administrators

Administrators can fill out [this form](#) to request PPE for healthcare organizations such as hospitals, nursing homes, and EMS services.

For NYC Frontline Healthcare Workers

Frontline healthcare workers can fill out [this form](#) to directly order small batches (1-10) or large batches (1,000-10,000) of PPE.

MANUFACTURING & DONATING PPE

New York State

Manufacturers who can produce and sell PPE to New York State can fill out [this form](#).

Individuals who can donate PPE can call 646-522-8477, email COVID19supplies@esd.ny.gov or go [here](#) to directly find a local hospital to donate supplies. If you can donate PPE but cannot go to a location to drop it off, fill out [this form](#) to have supplies picked up from your home.

New York City

[New York City Economic Development Corporation](#) (NYCEDC) is seeking businesses that can quickly source and/or make PPE and other relevant supplies.

[DonateNYC](#) has resources for individuals, businesses, schools and agencies to give and receive PPE and other items.

GUIDELINES ON THE USE OF PPE

- [Strategies to Optimize Your Existing Supply of PPE](#), Centers for Disease Control and Prevention (CDC)
- [Strategies for Conserving Respiratory PPE](#), NYC Department of Health and Mental Hygiene (DOHMH)
- [Guidance on PPE Shortages](#), New York State Department of Health (DOH)

Inclusion on this list does not imply endorsement by The New York Academy of Medicine.
