Spotlight of the Month - Ellen Bertuglia

Ellen Bertuglia was born on August 23, 1944, in Brooklyn, NY. She moved to West Hempstead, Long Island, at age six. Ellen enjoyed pony rides and trips to the zoo or just relaxing at home on her swing set; she fondly remembers growing up during that era, including her father's sadness when the Dodgers left the city. One of her happier memories is having one of her five grandchildren selected to be a Phillies ball girl. Ellen has a BA is Sociology from University of Bridgeport and a BA in Elementary Education from American University. She received her Certification in Special Education from Rowan U., launching a teaching career at the Alexandria, Virginia, Recreation Center. She also taught in Montgomery County, PA, and Riverside, NJ, making a difference in the lives of her students. Ellen is blessed with 2 sons and 2 daughters. Ellen was married to her husband, Stephen, for 39 years. They lived in Delran and Marlton and enjoyed traveling together, with vacations ranging from Lake Placid to Florida. They saw a movie and had Chinese dinner on their first date. She treasures memories of celebrating Passover and Rosh Hashanah with loved ones and enjoying traditional favorites such as brisket, chopped liver, and kugel. Congratulations, Ellen, on being this month's spotlight.
