Pebble Beach

HUGH SIMS | DECEMBER 15, 2011 - DECEMBER 19, 2011

We live, we die, and the wheels on the bus go round and round.
- **Edward Cole** (*Jack Nicholson in The Bucket List*)

Where is Pebble Beach on your Bucket List? Top three to five I'd bet. I know it is in the top five of my list.

How fortunate for us to share an opportunity to enjoy memories with old friends and create starting points of new friendships. My purpose of putting this golf trip genius information together is not to plan a detailed golf outing. Only to provide a central place for us to share our impressions and experiences of a bucket list item for all on the trip. I'm not making dinner reservations or other plans as that gets to tough for such a large group.

This website is available for everyone to centralize any thoughts, photos, embarrassing moments, real golf stories, or slightly exaggerated stories. Also, please edit your player profile page with contact information, photo, and any bio information. Then, if you have any other bio information about your friends, send that to me in an email and I will include the pertinent information on that player's profile. For instance, Rob Wathen did actually wear purple pants while playing in a golf tourney - because he liked the pants, not because of losing a bet. Or... Bill Border's hasn't posted a score since 1990. Things that are important prior to any wagering and trash talk begins.

I will include that important information in the trip book that will be compiled for the entire trip and sent to everyone when completed.

As far as wagering, let me know what ideas everyone has and I can include the written game plan in the trip planner. One thing that that might be fun would be a low gross and low net payout from a common pool. I'm up for amounts but Rob and I were talking and thinking \$20-50 per man. Then, other side games can be devised now or on site. it would be nice to know what everyone is used to playing so no one is uncomfortable.

1 week and counting
