Well gentleman this year as well we have purchased a new program which allows us to make a keepsake of our trials and tribulations over the upcoming week of play. A brief explanation is that I along with Patrick and Bob have put things in order in which you may enter the site to view what we are doing with all the games and scheduling and as well develop a keepsake for this years events and scores in the form of our Trip Book which will include photo's, scores, statistics and much more for continued viewing well after our week has ended.. as well this gives IT an easy base to go on and record our Hdcps and keep all in place according to the rules of MBC.

At this time I would like to introduce as well our Ryder Cup Captains for MBC 2012. Earle Morgan and Bob Stacey. Another daunting task ahead for these two gents.

With that then gentleman.. we begin a new journey.. a new chapter opens for MBC 2012..let this year be filled with laughter and good times and may we create more tales which will last us a lifetime...

Good Luck to you all gents and enjoy the Golf..and enjoy the Trip Book.

ANGELO CERCHIE

Well it is that time again and our fearless leader IL Capitano will lead the troops into MBC 2012 once again! I do get confused at times with all his infamous names like Almighty One, Sandyman, Italian Stallion and on and on it goes. But without such a leader who takes on the responsibility year in and year out to organize this annual event, develop our games and our fine dinning nights out well there would be no Ryder Cup. Now this year his son joins us Christopher and new talent out of Calgary in Ryan, so the Capitano may just have to unload some of the sand he has carried for the past several years to match these Top Guns! Should be very interesting! Time Almighty One to get back to that 15 handicap you were famous for! Good Luck IL Capitano as VP will not relinquish that low MBC easily this year!

PATRICK PRICE

Well what can one say about our VP of Operations.. here it is all in red and white as he prefers a message board which will give him due justice since he holds the low hdcp of MBC 2012.. He wears many hats but the one which fits him the most is the ability to hold onto that top spot as the MBC low hdcp player for the past years and still counting. I have to believe that this year will be no different even though we do have some new and younger blood attending but in the end the man we all know as Pricer will still be Numero Uno as the low hdcp of MBC .. plus he has to give us all strokes..LOL...Enjoy VP and thank you for everthing you do for the boys of MBC....

MIKE PRICE

I would like to introduce to you all our New Head of MBC Security... Younger Pricer... so from here on in he will be known as "Security"... This position carries many a duty but the foremost one is to bring to the group assigned times and dates for our Group dinners held that week.. there are many more but enough said... the only thing we hope for Security for MBC 2012 is that the Golf God's give him some hope with the flat stick, for we all know what happens... we shall only see what 2012 brings.. Soft Hands Security...

ROBERT STACEY

Mr. Stacey better known to our group as I.T. We have been fortunate to have Bob fill in the past few years creating a program which allowed us to continue our MBC exploits. As for MBC 2012 we have now purchased a new program, where I.T. will only have to submit scores on a daily basis and then sit back and let the program do its duties.. with this Bob, it brings further expectations on your golf game.. no more excuses I. T., the game is on you now..LOL.. As well, Bob will have another title which will be Ryder Cup Captain for MBC 2012.. these are daunting tasks ahead, we shall see how I.T. handles the week's pressures... Good Luck Sir... On a final note Bob, thank you for all you have done and continue to do for MBC .. Thanks Bob..

EARLE MORGAN

Well what can one say about Earle "The Pearle down the Fairway" Morgan.. yes indeed everyone who has witnessed this feat year in and out will know what this means and God only knows how that happens....But this year brings a new challenge in that The Pearle has been chosen by his peers as one of the Captains for this years Ryder Cup.. well Earle we shall now see how the Pearle engages in the battles of the fairways.. Good Luck Sir.. you will have to teach the rest of us that trick of hitting every fairway...LOL..

JOHN FRIEST

What can one say of John Friest .. as you can see this is done in Black .. his favorite color.. of course for those new comers to MBC we have an award given out yearly to what we call The Best of the Best..the infamous Bull Award and honestly I can not understand how Friesty wins every year.. well almost..he's right up there each year.. go figure.... well all I can say is " Who has more fun than us Humans".. Sempre Fei....

RYAN HUBER

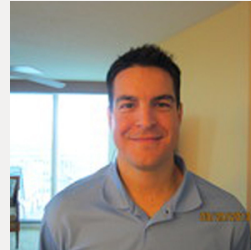

At this time I would like to extend a warm welcome to a rookie for this years MBC, Ryan Huber from Calgary Alberta. On behalf of everyone welcome. We hope that you will fully enjoy the experience of MBC 2012. We do have a few rules which rookies need to follow for MBC. First is on meeting nights, rookies are restricted on making any comments and secondly are not allowed to vote on any issues, but the most important of rules is to laugh, enjoy the new friendships, enjoy the golf, for these will give you the lasting memories which will bring you back year after year.. Welcome again Ryan... His handle is Lance.. Enjoy Sir...

CHRIS CERCHIE

I would like to welcome another Blue and White fan to our group and another rookie for this years MBC .. welcome to MBC 2012 Christopher(as some call him Cerch Jr.).. We have a tradition in MBC that rookies of MBC will have no say on any decisions made or can they speak during meeting's being conducted of MBC, but the most important rule is for you to enjoy yourself fully, play some good golf and make lasting memories.. Welcome again Christopher... enjoy the week..

This game is quite straight forward in that we have 2 teams of 4 players who will play their own ball and the combination of their net scores will determine the winning team of the day.

we will also play CTP on front nine and back nine at \$5 per CTP as winnings. This amount will be calculated manually over the course of the week.

Payouts as shown

Two Man Scramble .. This is the first of the two day tournament of 2 person teams. Here you will be paired with your teammate and follow all scramble rules and place best score onto scorecard. The program will adjust accordingly for handicaps per hole.

Scramble rules: each player will hit their tee shots then go to their best ball.. there is no need to allow for the number of tee shots per player

then you will play out the hole and score accordingly following the rules of scramble

CTP front and back \$5 per CTP Total \$10.00

Payout for each round: 1st: 50 points, 2nd: 40, ... Nth: 30

This will be the second day of two man team play. This game will be the summation of your two scores less your total combined handicap. we will then take the net score from your scramble round then add this score of your combined round and give us a total of the two days. once calculated it shall determine the order of finish. With this round there is no need to be playing with your partner so therefore we have edited the pairings as noted on the tee sheets.

as well CTP same worth of \$5 per CTP total of \$10.00 front and back

SKINS NO CARRY-OVER

Round: Tue (08:42 AM)

We will be playing for 3 points in every match therefore it is important to play every hole for the sake of winning that over all point for your team

There will be CTP as noted front and back Total \$10.00
