THE TRIP BOOK

STREAMSONG 2013 | OCTOBER 18, 2013 - OCTOBER 21, 2013

Hello fellas,

We are 45 days away from Streamsong. This book will describe all that will be happening on our trip. You will notice most of the same formats as years past. One new format will be a 4 man team 2 best ball event with handicap. This will be round 2 of the trip and we will do a blind draw the night before to decide the teams. The other new format will be a 12 hole drunken scramble. We are able to do this because we are playing 6 rounds on this trip as opposed to years past when we have only played 5. Otherwise, the pairings will work the same way as in the past. There will be one person that you will not be paired with and all others you will be paired with either one or two times. Don't bother calling, texting, emailing, or stalking me about any pairings (you know who you are) because they are not changing. I met with my committee and all are in agreement that they are not only fair, but that they are stupendous.

This book will be updated after the trip with scores, statistics, winnings/losings, and pictures. Everyone will receive a copy of it after the trip so we will always have the memories of the trip via the book. I look forward to our trip and especially opening night where the newbies (Nelson and Rehs) will be picking up the bar bill.

JW

JERROLD WEINSTEIN

JW is known to ask for everyone's input so these trips become a resounding success. Too bad he doesn't listen to anyone but himself.

Handicap Index :: 6.5

JOEL NAPACH

Simply put, Napach is the man. Just leave the too tight Hamptons horse jumping pants at home.

Handicap Index :: 5.0

MATT FRAAS

If he continues to play like the champ, all future rounds of this trip he will be paired with Renzo and Steingut.

Handicap Index :: 2.7

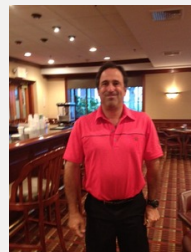

VINNY LOPRINZI

When he is done he is done. Vinny is known to magically disappear toward the end of our dinners, but he always shows up on time the following morning for his tee time.

Handicap Index :: 7.9

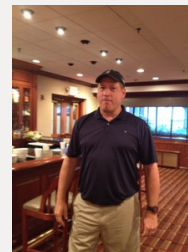

ROBERT KRUEGER

He has good hair and a shitty putter.

Handicap Index :: 11.5

WARREN NELSON

The nickname "Big Sexy" says it all.

Handicap Index :: 12.6

LOU RENZO

He will not tuck in his shirt if he doesn't want to and I for one will not be saying a word to him about it. He is also known for his study of pilates.

Handicap Index :: 11.8

CAMERON WOOD

Has trouble with airport security, but no trouble scoring on the course.

Handicap Index :: 0.0

ALAN REHS

A newbie to the trip. He has brought plenty of \$ to donate to all of us.

Handicap Index :: 9.6

RICH BEGUN

The former deuce has had his handicap go up slightly from year one, but his love for Tiger only grows stronger as the years go by. He is also the only guy who will be at the gym at 5am during this trip.

Handicap Index :: 4.5

DAN RIVAS

He went from winning zero \$ in year one to winning everything in year 2. Hmm. We all wonder how that happened.

Handicap Index :: 13.1

JIM MUNSON

The man who puttied from the green on Seaside into the Intracoastal. We all love him and couldn't be happier that he is a part of this trip, especially the bartenders at each location we visit.

Handicap Index :: 12.6
