BIG ADVENTURE 2013 | OCTOBER 17, 2013 - OCTOBER 21, 2013

---

Dear Fellow Adventurers:

Welcome to the 16th Annual Big Adventure Golf Trip. This is our first trip to Jacksonville, Florida and it looks to be a wonderful venue. As you can see we have done a few things differently this year and we hope you like it.

This year for the first time and at the recommendation of several players we will use different tees based on your handicap and age. Manor Country Club has used this successfully for their Manor Fridays, so we thought we would try it for this trip. Please look at each day and see what tees you are playing from.

Please keep in mind to be on time at all times. Transportation is provided to and from all golf courses. Caddies have been prepaid for, however it is your responsibility to tip them as you see fit. Always discuss this with your foursome.

As a reminder the only dinner you must attend is Sunday Night at Pusser's.

Follow all the rules and have a wonderful time.

Hit'em straight,

Mr. Adventure and Digits

**FORMAT – RYDER CUP MATCH PLAY**

**POTENTIAL 10 RYDER CUP POINTS**

**Round:** Mon (08:00 AM)

**Pair by:** Team (partners) Payout to: Team(s)

**Format:** Match, Team v. Team (1v3 & 2v4), Own Ball

**Handicap:** USGA Net (off lowest)

**Payout for each round:** Matches won/tied: 10/0 points

Here it is the end of the tournament and there will be two ten-man teams and ten two-man matches. As in Ryder Cup fashion one member from each team will play a member of the opposing team in a match play format. The two-man matches will be determined by each team captain. In this format your total score for the round is not important. The golfer that wins the most holes in each match will be declared the winner of that match. Your opponent is allowed to concede any hole they feel they are out of. **YES THERE IS STILL A TRIPLE BOGEY MAXIMUM SCORE PER HOLE**, however, if one golfer putts the ball into the hole on the stroke that gives them a triple bogey and the opposing golfer does not, the golfer that sunk the putt wins that hole. If neither golfer sinks their putt within the triple bogey maximum, the hole is declared a draw. The golfer with the higher handicap will get strokes if there are differences in opponent handicaps. For example, if a 4 handicap is playing with a 12 handicap, then the 12 handicap golfer will get a stroke on the 8 hardest holes. If a 21 handicap is playing a 21 handicap, then there will be no strokes given and they will play even up. Each team receives a point for a won match, one-half point for a tied match and zero

---

points for a lost match. The team with the most points wins. If there is a winner it will be announced at the conclusion of the final match. If both teams tie, the Mr. Adventure and Digits keep the prize money.

Tees to play:

We will discuss the tees to be played. We will see how the experiment goes.
