

# BRONZER

## Sweet Tips

- SWEET MINERALS BRONZER HAS COVERED ALL THE SPECTRUMS OF COLOR, FROM COOL TO WARM, SPARKLY TO SEMI MATTE.
- SHADES ARE MADE WITH NATURAL CRUSHED MINERALS.
- SELF ADJUSTS TO YOUR COMPLEXION AND UNDERTONES.
- GIVES YOU A NICE HEALTHY GLOW TO YOUR SKIN.
- WEAR AS SOFT OR AS VIBRANT AS YOU PLEASE BY SIMPLY LAYERING IT.
- SUITABLE FOR THE LIGHTEST TO THE DEEPEST OF SKIN TONES.

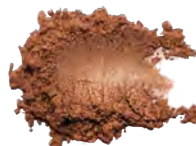

**BEACH BABY**  
*Neutral Shimmer*

**ISLAND TAN**  
*Neutral Matte*

**STAY TAN**  
*Cool Matte*

**BRONZE BOMBSHELL**  
*Warm Sparkle*

**GOLDEN HONEY**  
*Neutral Sparkle*

## DIRECTIONS

Sprinkle a small amount of Sweet Minerals Bronzer into its lid. With the MultiTasker Brush, dip into the lid to pick up the Bronzer.

- For contouring: lightly touch the areas under your cheekbones from apples to hairline, then blend softly with a back and forth brush motion.
- For an all over sun-kissed glow: Blend Bronzer onto forehead, chin, cheeks, and nose. Also, blend down to the neck and decollete.

## BENEFITS

- Our Bronzers are perfectly designed to blend with your natural undertones.
- Gives contour and warmth to your complexion.
- Gives natural glow to the skin.
- A small amount is sufficient.
- Economical, one jar will last you up to 2 years.
