## FEATURES & BENEFITS

Expansive six-burner cooktop helps you entertain with ease - Entertaining for large groups is easy with the industry's first six burner, edge-to-edge cooktop that can accommodate cookware of all sizes and a cast-iron integrated griddle that provides enough room to perfectly flip crab cakes, arepas and other crowd favorites

Enjoy total control in the kitchen and beyond - Control your oven with your smart device or simply your voice using WiFi Connect

Precision is the name of your cooking game - Confidently try new recipes and perfectly execute your favorites, using a smart system that automatically tracks progress, modifies temperatures and adjusts cook times

A touch of brilliance - Bring interactive capabilities into your kitchen with a 7" LCD touch screen that looks stunning and makes it easy to control your oven

Share favorite creations with your favorite people - Create an unforgettable dinner, using a 21K tri-ring burner to do everything from searing scallops to simmering a lemon caper white wine sauce and a 15K power boil burner to boil water quickly for al dente angel hair pasta

Everything you need for unforgettable results - Get the precision you need to pull off a multi-course dinner party with this 7.0 cu. ft. double oven dual fuel range, which boasts a gas-powered cooktop for precise heat control and electric True European Convection with Precise Air in the oven for even baking results

Never scrub, smooth-glide racks - Easily remove heavy dishes with a roller rack that is specially designed to glide smoothly and stay in the oven during the self-clean cycle, so you never have to handle cumbersome racks again

Prepare foods to perfect doneness - Get roasts and meats just right with a temperature probe that lets you monitor progress without opening the oven door
