MICHAEL KORS BLACK TUX

With a streamlined silhouette and luxe details that live up to the Michael Kors name, this is a thoroughly modern take on the classic Bond tux, crafted of luxury Venetian super 130s wool. The single-breasted, 2-button, side-vented coat features a notch collar with black satin trim on the edge of the lapel and on the jetted pockets.

MICHAEL KORS CHARCOAL TUX

Leading the legacy of the gray-meets-black-tie trend, this Michael Kors Charcoal tux keeps it timeless with sleek tailoring and luxury Venetian super 130s wool. The single-breasted, 2-button, side-vented coat features a notch collar with Charcoal satin trim on the edge of the lapel and on the jetted pockets.

On-trend and outrageously cool, Michael Kors' deep navy-black Midnight Blue tux in luxury Venetian super 130s wool proves that blue is the new black tie. The single-breasted, 2-button, side-vented coat features a contemporary notch collar with Midnight Blue satin on the edge of the lapel and on the jetted pockets.

MICHAEL KORS MIDNIGHT BLUE TUX

JOHNNY WILDE BURGUNDY TUX

COMING APRIL 1ST - Rich in color and style, this vibrant burgundy coat will have you making an entrance at your next event. Johnny Wilde makes a statement with this fun and trendy coat, taking modern to a whole new level. Crafted of the finest super 120s, this 100% wool, single-breasted coat features 1-button styling with besom pockets and a shorter length for a more current take on black-tie. The slim fit coat boasts a modern shawl lapel that's accented with black satin trim on the edge.

JOHNNY WILDE BLUE TUX

COMING APRIL 1ST - With a cool and trendy vibe, this exclusive coat lives up to the Johnny Wilde name and will leave you feeling far from blue. This is a thoroughly modern take on the classic jacket, crafted of luxury super 120s and 100% wool. The single-breasted, 1-button coat is shorter in length and features a modern shawl lapel with black satin trim on the edge, besom pockets, and a slim fit.

JOHNNY WILDE WHITE TUX

COMING APRIL 1ST - Take a walk on the wild side with this new Johnny Wilde exclusive coat, that takes black-tie to a whole new level of fun. Stylish and on trend, this single-breasted, 1-button coat is shorter in length for the ultimate cool factor, slim fit, with besom pockets, and a modern shawl lapel that's accented with a black satin edge trim.

DAYMOND JOHN STEEL GRAY TUX

Daymond John's supremely elegant and exquisitely-tailored tux is crafted of 100% wool in a sophisticated shade of deep Steel Gray that makes a perfect canvas for accessories in virtually any color. The single-breasted, 2-button, side-vented coat features a notch collar. Steel Gray grosgrain - rather than traditional satin - trims the lapel and the straight flap pockets.

DAYMOND JOHN BLACK TUX

Sleekly-tailored and ultra-elegant, this 100% wool black tux by Daymond John reinvents the standard black-tie look with the use of grosgrain rather than traditional satin on the notch lapel and pockets of the single-breasted, 2-button coat with side vents.

DAYMOND JOHN INK BLUE TUX

Unexpected and of-the-moment, Daymond John's Ink Blue is woven of a unique mix of both navy and black threads that decodes the typical black tie dress code. This flawlessly-tailored tux is crafted of 100% wool and features a single-breasted, 2-button, side-vented coat with a notch collar with a Navy grosgrain lapel, and straight flap pockets with Navy grosgrain trim.

ALLURE MEN CEMENT GRAY TUX

The lightest of Allure Men's spectrum of gray shades, Cement Gray is a very light cool gray in a superfine wool blend ideally suited for daytime or outdoor events. The single-breasted, 2-button, side-vented coat features a notch lapel with self-fabric piping on the lapel edge, and straight flap pockets. The absence of satin gives the suit a less formal – yet still stylish – look.

ALLURE MEN BLACK ONYX TUX

An innovative twist on traditional black tie, the subtle vertical stripe woven throughout this Super 140s wool conveys both contemporary-cool and impeccable taste. Allure Men's single-breasted, 2-button, side-vented coat features a more formal peak lapel with striking black satin insets, and straight flap pockets with black satin trim.

ALLURE MEN IRON GRAY TUX

Equally suited for daytime or evening events, Allure Men's Iron Gray is a medium gray shade, woven in a superfine wool blend. The single-breasted, 2-button, side-vented coat features a more formal peak lapel accented with Iron Gray satin insets, and straight flap pockets with Iron Gray satin trim.

ALLURE MEN TAN TUX

Allure Men's effortlessly stylish suit in classic Tan is ideal for summer or beachside events. This single-breasted, 2-button, side-vented coat features a notch collar with self-fabric piping on the edge of the lapel and on the straight flap pockets, rather than the more formal look of satin accents.

ALLURE MEN SLATE BLUE SUIT

Allure Men's fashion-forward shade of Slate Blue is unexpected and ultra-elegant, crafted in a superfine wool blend. The single-breasted, 2-button, side-vented coat features a peak collar with a self-fabric inset on the lapel rather than satin, for an understated and less formal look, and straight flap pockets.

ALLURE MEN HEATHER GRAY TUX

Heather Gray is a light gray that falls in the middle of Allure Men's gray shades, and is woven of 100% superfine wool. The single-breasted, 2-button, side-vented coat features a notch collar with Heather Gray satin piping on the edge of the lapel and on the straight flap pockets.

JUSTIN ALEXANDER BLACK TUX

Justin Alexander's meticulously-tailored tux celebrates the gold standard black-tie look while transforming it into a modern style statement. Featuring superior craftsmanship and 100% superfine lightweight wool, this single-breasted, 2-button, center-vented coat features a notch collar and is embellished with a dramatic black satin lapel and black satin-jetted pockets.

JUSTIN ALEXANDER STORM GRAY TUX

A sublime alternative to black, yet just as formal, Justin Alexander's deep Storm Gray shade puts a contemporary spin on the iconic black tux. Featuring superior craftsmanship and 100% superfine lightweight wool, this single-breasted, 2-button, side-vented coat features a notch collar and is embellished with Storm Gray satin on the edge of the lapel and on the jetted pockets.

Alfred Angelo's subtle yet chic Gray shade is woven of a superfine wool blend that elevates any formal occasion. The single-breasted, 2-button coat features a notch collar with Gray satin edging on the lapel, straight flap pockets with Gray satin trim, and a center vent.

ALFRED ANGELO GRAY TUX

ALFRED ANGELO BLACK TUX

Alfred Angelo's modern interpretation of the classic black tux is crafted of super 120s wool for a luxury look and feel. The single-breasted, 2-button coat features a notch collar with an elegant black satin lapel, straight flap pockets with black satin trim, and a center vent.
