Comfortable Living at a Affordable Price!

Why rent when you can own at such a great price! Located in the quiet Springbrook community next to the beautiful Kelly Park, this lovely 2bed/2bath corner-unit has been recently updated with new carpeting, new A/C & heat systems, custom-designed Master bathroom, and stainless steel appliances. One of the best corner-units in the community, this secluded 2nd floor unit comes with a private stairway, vaulted ceilings and lots of natural light in every room. En suite laundry room can double as an extra pantry. Two spacious bedrooms on opposite side provide great privacy. The well-equipped kitchen with a bar counter top makes the open concept living/dining/kitchen area a versatile space for entertaining. A separate assigned garage gives plenty of space for your car and storage. Ample additional parking within the community for your 2nd car and guests. The serene balcony can be accessed from the living room and the master suite. This wonderful home with upgrades throughout at an affordable price won't last for long.
