This beautiful Van Daele home was built in 2014 and offers you their most popular design features! In addition to the great floor plan, this home offers a perfect sized lot with a private back yard that backs into the Cleveland National Forest! As you enter the front door, you will feel right at home as you walk into the spacious family room that flows nicely into a large kitchen! The floor plan offers 4 bedrooms downstairs with 1 bedroom upstairs and an extra large loft! This home also features a mother-in-law suite with it's own private entrance. As you walk into the backyard you will be impressed by the California room with ceiling fan. Home has 22 solar panels which makes your electric bill obsolete. New buyer can assume the lease or the company can come and take it. The ample space in the backyard offers low water, maintenance xeriscape design with concrete to satisfy your entertaining needs. This home has flooring and many other builder upgrades and is a must see!. Schedule your private showing today, you won't be disappointed!
