4 bedrooms | 4 & 1 half baths

One of the most historic and completely restored homes in the town of Telluride.

One of the most historic homes in the town of Telluride is the Cornell House. Lucien

Lucius Nunn, the father of alternating electrical current, built this house in 1891 and was one of the first homes in the country built with alternating electrical current. In 1902 Nunn housed the "Telluride Institute" in this building where students from Cornell University in
