Gorgeous View! What a great price to own a piece of San Francisco real estate with a fantastic bay view. Welcome home to this two-level, recently remodeled, 2bed/1.5bath/1,272 sq ft, corner townhome in the gated community of Candlestick View! Built in 1996, this home offers an open living area on the main level with a well-appointed kitchen, a dining area and deck overlooking a gorgeous bay view, and a half bath great for guests. Upstairs are two bright bedrooms with water and neighborhood views, a large bathroom with double vanity, a laundry closet, and plenty of closet space. The location of the home within the community gives it a secluded and private feeling while allowing extra outside space to stretch out and take in the views! Centrally located in the SF Bayview area, this home is positioned to benefit from the City's continued redevelopment efforts including parks, restaurants, new housing developments, and public transportation. This is the perfect starter home or rental property!
