700 S Juniper St Escondido, California 92025

\$2,500,000

This stunning Victorian Mansion has been fully restored to the highest standard using only top quality period finishes and fixtures throughout. All lighting is LED, central HVAC has been installed and the home has solar giving the home modern features; however, the charm and a welcoming warmth remain. Sprawling gardens and lush landscape blanket the grounds. A decorative wrought iron fence and tall shrub wall give the home privacy, with the convenience of a suburban location.
