This original cute Cape Cod is now a spacious home thanks to an extensive addition in the 1990s. The first floor has a kitchen and open dining / living room at the front of the house, with tons of natural light. The master bedroom has a walk-in closet, and ensuite bath with a soaking tub. The 1990s addition added two more bedrooms, a family room at the back of the house with a gas stove and distant views of Freeville farmland, and a deck leading to the backyard. Upstairs is a huge play space or den. Outside, the property is nicely shielded from the road by a berm and thick hedge of trees. An attached two car garage with extra space for a workshop or boat storage. The backyard is highlighted by
