Welcome to your very own light and airy treehouse hideaway just minutes from everything downtown Ithaca has to offer! Energy efficient, just built in 2018, and boasts lake views in the winter! This home features beautiful slate and bamboo floors throughout as well as exposed wood beams and high ceilings. Walking into the open floor plan you are immediately welcomed by the gorgeously appointed kitchen with soft close cherry cabinets, SS appliances, and granite counters that open up to the cozy living and dining area. A rear entrance mudroom, bedroom and full bath complete the first floor. Moving upstairs you can't help but notice the rustic live edge staircase that perfectly complements

Equal Housing. Information believed to be accurate but is not guaranteed
