This beautifully reborn 1810 antique reproduction was crafted from the ground up in 2024, offering quintessential New England charm and contemporary comfort! This home is nestled in Hollis' prestigious Historic district where every exterior detail maintains that historic charm. Local shops, restaurants, and top-notch schools are all at your fingertips here. Step inside this gorgeous home to receive that instant feeling of "home" from the abundance of charm; soaring beamed ceilings, gleaming Maple floors, and sun-drenched living spaces to start! The heart of the home is the stunning kitchen which offers beautiful cabinetry, a porcelain farmer sink, and SS appliances; the perfect place to gather. Stave away the winter chill with the cozy fireplace and beat the dog days of summer with the high BTU mini splits. The primary suite offers double closets and a spa-like bath. Across the home, offering privacy, a full tiled bath is flanked by another bedroom and a large, versatile room with a closet. The bright and expansive finished lower level is the perfect flex space for any of your needs! The large deck and multiple brick and granite walkways overlooking the flat yard makes outdoor enjoyment a dream. The historic barn is waiting for your outdoor hobby or perhaps future garage conversion. Peace of mind comes from knowing almost everything is new in 2024/2025, to include a new 1250 gallon pipe and stone septic!

16 Silver Lake Road is your rare opportunity to have a like-new home, full of character, in the highly coveted town of Hollis! Do NOT sleep on this home!
